## July 2021

### PE DEPARTMENT NOTICES

1) If your child is leaving us this year or if you have Oakfield PE kit they have outgrown, we are always happy to have spare kit. Please send the kit in before the end of term. Drop off points will be in both PE changing rooms.

2) A letter will be sent out shortly with information about our PE kit and changing policies starting in September.

3) If you are considering getting your child's ears pierced, we would really appreciate it if you could do this at the start of the Summer holidays as the guidance is usually not to remove them for 6 weeks. Some sports, including Contact Rugby will require earrings (including studs) to be removed for Safety.

Thank you for your support this year. Have a great Summer holiday.

## Love nature? Love art?

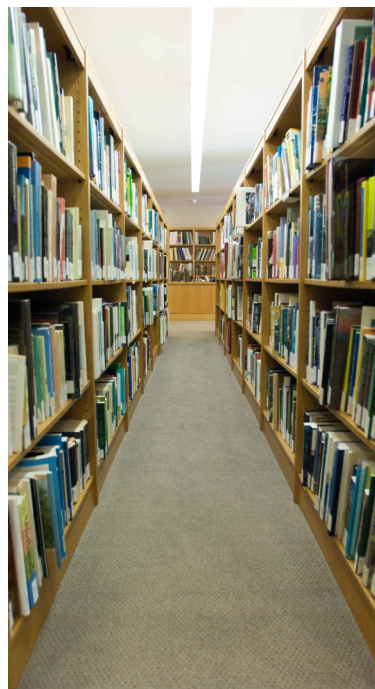

We want to tell your story of why you love our green spaces, our planet and the action you want to see from our leaders to protect it.

This November the UK is hosting a major UN climate summit, known as COP26, where politicians will set out how they plan to fulfil their promise of reducing greenhouse gases across the world.

In the run up to COP26, Great Big Green Week will be a nationwide celebration of how communities are taking action to tackle climate change and protect green spaces.

As part of Frome's Great Big Green Week we are inviting all of Frome's residents to create art, poetry and stories to deliver Frome's message to the leaders at COP26.

Please bring your creations to the Town Hall where they will be displayed during Great Big Green Week, 18th-25th September 2021.

Please ensure all library books are returned before the end of term. Thank you.

### [Plenty of fun planned for Playday - Frome Town Council](#)

A Summer of Play is this year's theme for the National Playday, and Frome Town Council are inviting young and old to join their Playday activities at Victoria Park and the Mary Baily Playing fields on Wednesday 4th August from 12 – 4pm. It promises to be an afternoon of fun and games for all to take part in.

**[www.frometowncouncil.gov.uk](http://www.frometowncouncil.gov.uk)**

Frome Town Council believe choosing to spend your time in a playful way is essential for everyone's health and wellbeing and are working with Children's Scrapstore to explore the town's playfulness. Choose Play is launching with a survey to learn just what play means to Frome by exploring how the local community choose to enjoy their free time.

They want to challenge and encourage people to think differently about play so, however young or old you are, it would be great if you could take a few moments to complete the short survey and let them know - how do you play?

The deadline to complete the survey is Tuesday 31st August.

# ACTIVE CHALLENGE WEEK

**Oakfield Academy pupils stepped up-to the challenge of increasing their activity levels during Active Challenge Week. Pupils took part in daily wake & shake exercise before lessons began and many took the opportunity to get involved in the additional activities on offer during lunch times.**

**There was also a significant increase in the number of pupils actively travelling to school, it is hoped that this trend will continue.**

**Academy staff also took the opportunity to up their activity levels and took part in after school exercise including rounders and spin bike classes.**

**Results of the Inter-form games, Walk/bike to school challenge and our design a mascot competition will be revealed by Miss Wilkes during the final weeks assembly and results will also appear in our final newsletter.**
