Team Run DMC update....

WE DID IT!!

Our mission was to try and complete 30 laps each (80km) in 24 hours which we ended up beating with a final total of 31 laps. The results were as follows:-

1st place - MIXED TRIO

14th place (out of 147) - SMALL TEAMS

96th place overall (out of 1142 teams)

We are so proud and extremely grateful for all the sponsorship and support. The greatest result of all is the staggering £1282 we have now raised for the charity Young Lives vs Cancer. We have been overwhelmed by all of your generosity and we are hoping that we might be able to continue to try and raise a little bit more (see below for the link to our page).

Here are a few personal reflections:-

What an incredible weekend and one that I will never forget. It was a real test of endurance, resilience, character and grit. We worked as a team from start to finish, supporting, encouraging, laughing and occasionally crying (happy tears haha). It was a privilege to be part of Endure24 2025 and I am so grateful to have had the opportunity to be a part of this - thank you team RunDMC!
