NEW PREFECTS FOR 2025/2026

Congratulations to our Year 7 pupils who this week were made Academy Prefects for next year.

Yr 8 Take Your Child To Work Days

We are incredibly proud of the enthusiasm and engagement shown by our Year 8 pupils during this year's Take Your Child to Work Day. With over 70% of the year group taking part, pupils visited a wide range of workplaces across the region—from Bristol and Bath to Yeovil and Shepton Mallet.

The day offered our students a valuable glimpse into the world of work, with many shadowing family members or close family friends across various job sectors including healthcare, education, retail, engineering, construction, hospitality, and the creative industries. From bustling offices to hands-on workshops, our pupils experienced first-hand the diversity and dynamism of the working world.

We are hugely grateful to the many businesses and organisations that welcomed our pupils so warmly and took the time to show them the ropes. Opportunities like this are invaluable in helping young people make connections between their learning and future aspirations. For many, the day sparked new interests and offered a clearer picture of potential career paths.

We hope this experience has planted seeds of inspiration and helped our young people begin to envision their own futures beyond the classroom.

Yr 8 Take Your Child To Work Days

A massive well done to Sam Incledon, Lucas Perez-Johnson, Alexis Sermon and Henry Irwin who recently represented Oakfield Academy in the 'MNSP Team Maths Challenge' at Norton Hill School. The competition consisted of 4 rounds: a head-to-head challenge against other schools in the MNSP, a game of 'Fizz Buzz Pop', a speed round and a relay round.

I was exceptionally proud of how well our pupils performed! MISS PENNY
