Congratulations to all of Year 6, everyone at Oakfield is so proud of you!

Good Luck, have a relaxing weekend and just enjoy next week.

Look forward to the cinema trip.

The Science Department

Pupils from 8N investigated DNA structures this week with the help of assorted sweets.

Mrs Curtis was very impressed with their enthusiasm during the lesson..... which may have had a little to do with the props they were using !

LIBRARY NEWS

National Share-a-Story Month

As part of *National Share-a-Story Month*, members of staff have been coming into the library during KS2 lunch to read to the pupils. On Tuesday it was the turn of Miss Wilkes and Acorn - with special guest Mrs Seager from Trinity! We were treated to some *Revolting Rhymes* and some extracts from *The Hitchhiker's Guide to the Galaxy* and *The Magic Faraway Tree*. Thank you to all our readers so far - stories will continue next Thursday after the Book Fair has finished!

Book Review

This was the first book in years to make me cry, but not in a bad way. It was incredibly beautiful, and the way it handles unpleasant topics like the Holocaust with such ingenuity and care really deserves recognition.

WOULD RECOMMEND!
