

OAKFIELD ACADEMY
BELIEVE AND ACHIEVE

Edition No 20, 20/21

April 2021

Please be aware that the area in front of the Academy is going to be closely monitored by Traffic Wardens, who will not hesitate to impose a fine should they witness any driver stopping on the zigzag lines (no matter how quickly). If dropping off or collecting pupils, please do this away from the Academy and walk the remainder of the journey. This will result in the area being much safer for all our pupils.

Thank you for your support.

EASTER HOLIDAYS

- Staggered Lunch times
- Cleaning and sanitizing in between bubbles
- Regular Lateral flow test's for staff
- Face coverings for staff and pupils
- Queue's are minimised and 1 meter apart

Food & Ingredients
We believe that it is important that our food looks good, tastes delicious and satisfies the children.

Lunchtime is when the pupils can relax and socialise with a delicious meal that will keep them nourished and sustained throughout the afternoon.

We are passionate about food and are here to help the pupils choose a balanced diet by creating attractive and nutritious menus and providing engaging information about how to eat healthily.

We use the best ingredients from our suppliers to make your lunches that are cooked fresh every day in your kitchen.

The Menu
The focus of our menu development is on quality and variety; they are designed to be attractive and appetising. Understanding that eating habits change as we grow means we are constantly looking for ways to develop with your children.

Having feedback from the pupils throughout their time at school is essential to help us understand their likes and dislikes whilst maintaining our focus on encouraging, educating and promoting our offer.
