SCHOOL NEWS

MIRROR, MIRROR ON THE WALL, THIS WAS THE FAIREST SHOW OF ALL!

Students wowed audiences with this year's production of *Snow White and the 10 Average Sized People*, which proved to be a fantastic success. From the memorable performances on stage to the hard work behind the scenes, every student played an important part in bringing the show to life.

The dedication, enthusiasm, and teamwork shown throughout rehearsals and performances were truly impressive, and everyone involved should be incredibly proud of what they achieved.

A special shoutout goes to Year 8 student Jack Leathes, who captured some brilliant photographs throughout the production and did an excellent job helping with the lighting. His contributions helped showcase the show at its very best.

Congratulations to all the cast and crew on a wonderful production!

YEAR 7 MENDIP ROUNDERS TOURNAMENT

On Tuesday 16th June the Year 7s were invited to Selwood Academy for the Year 7 Mendip Rounders Tournament.

It was a great afternoon of rounders. In the pool stages we played Selwood and scored some great Rounders whilst in bat and won by 4 1/2 to 3 1/2 rounders. Player of the match went to Rose H.

We then went on to play Fairlands school and lost 4 1/2 rounders to 4 - A very close match. Player of the match was Elsie-Mae B.

All teams in our pool won one game and lost one game each so positions were decided based on the number of rounders scored. Unfortunately we scored the least rounders and so placed 3rd.

We then played off against Gillingham school who came 3rd position in the other pool to decide a final position of 5th or 6th overall.

Some great Rounders and tight fielding in this final game resulted in securing 5th place overall. Player of the match was named as Georgia M for a diving catch.

The Year 7 team showed great teamwork and support towards each other throughout the matches.

A massive well done to all involved: Ava K, Ella B, Rose H, Esme C, Brook, Elsie-Mae B, Flo B, Isabella BC, Georgia M. (unfortunately missing Elsie in the photo).

A massive well done and congratulations to our incredible students who have been crowned this year's Sparx Maths winners:

- Jack L
- Sofia P
- Mila P

Keep up the brilliant work! 

CRAFTING SQUARED NUMBERS

6Germain have been applying their squared number knowledge to some crafts this week.

Children used a range of skills but in particular their protractor and ruler skills to split squares equally at a 90 degree angle. These skills helped us create a visual representation of all squared numbers from 1 to 144.

We used a wide variety of recyclable materials and produced some aesthetically pleasing creations.

Visit 6S to see the results!
