YEAR 7 IN THE KITCHEN

Our Year 7 students have been busy developing their cooking skills. Here are some photos from their recent cooking lessons.

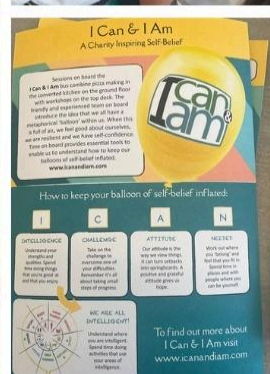

YEAR 8 PROM

Our Year 8 Prom was a fantastic evening to celebrate the end of our pupils' time at Oakfield Academy. Everyone looked amazing and enjoyed an evening of music, dancing, laughter and delicious ice cream with friends and staff.

It was a wonderful way to celebrate their achievements and wish them every success for the future. Well done, Year 8!

I CAN & I AM BUS

During Activities Week, Year 6 welcomed the 'I Can & I Am' bus onto the school playground for a wonderful 3 days of learning and fun.

Pupils took part in 1 hour workshops, making pizza and exploring ways to identify their strengths. The sessions were designed to build self-belief and confidence, helping children recognise their incredible and unique qualities.

It was a brilliant opportunity for everyone involved and we would like to say a huge thank

you to the 'I Can & I Am' volunteers for all of their support in running such a successful visit.

AIR HOUSE CELEBRATION AFTERNOON

Pupils in Air House enjoyed a fantastic Celebration Afternoon, taking part in a fun-filled inflatable assault course. There was plenty of laughter, teamwork and friendly competition as everyone tackled the obstacles and cheered each other on.

The afternoon was a great way to celebrate the pupils' hard work, positive attitude and commitment throughout the year. It was wonderful to see everyone having so much fun and making lasting memories together.

Well done to all of our Air House pupils for a fantastic celebration!

CELEBRATING OUR CHILDREN'S SUCCESS: THIS YEAR'S RESULTS ARE IN!

We are absolutely thrilled to share some fantastic news with our school community. Our latest academic results are in and they are a true reflection of the hard work, determination and resilience shown by our wonderful pupils.

We are incredibly proud to share this year's achievements:

Subject	Our Outstanding Results
Reading	69% of pupils met the expected standard
Maths	66% of pupils met the expected standard
Combined	59% of pupils met the expected standard in Reading, Writing and Maths

A Massive Step Forward!

What makes these figures even more special is our overall progress. Across the board, our combined results are up by a brilliant 12% compared to last year!

Pupils achieved outcomes in line with national averages, reflecting significant improvement across reading, writing and mathematics. Results have improved by nearly 30% in 3 years - fabulous work from children and staff!

This is a phenomenal leap forward and a milestone that is absolutely worth celebrating. It reflects the dedication of our teaching staff, the focus of our pupils and the targeted support we have put in place this year.

We know that these achievements do not happen just here at school. Behind every successful child is a supportive home.

Thank you to all of our parents and carers for reading at home, helping with homework, keeping up the encouragement and partnering with us every step of the way. This victory belongs to all of us!

Congratulations to all our pupils on their fantastic achievements. We look forward to building on this success together!

Warmest wishes,
Mr Bowker
