

Are you Ready for Social Media?

Ready for social media?

1. Read through the article on Thinkuknow ‘Ready for social media?’ article - www.thinkuknow.co.uk/11_13/Need-advice/Ready-for-socialnetworking/

2. Can you design a notification that could pop up on a social media app or site with 3 or more key pieces of information that young people should be given before they create their account?

The last piece of information should be about how they report to the app or site if something worries or upsets them.

3. People who have already used social media should use their experiences to add further information or advice. They should think about what things they would have liked to have known before joining.
