

Red Nose Day

Friday 15th March 2024

March 2024

Dear Parents,

We are delighted to confirm that we will once again be supporting this charity. We are planning some exciting activities to take place during the day, which will include:-

Prior to Red Nose Day pupils will be able to watch a video created by their peers explaining the meaning of Comic Relief and what it tries to achieve

Non-uniform MUFTI day, wearing something red if possible – voluntary contribution of £1, to be handed to Tutor during registration (this is not compulsory, please give what you can afford) – these donations will also be counted to add to ACORNS points

Silly Socks Day – odd socks, the sillier the better!

No Tech Day – an opportunity for our pupils to experience learning in school without the assistance of technology

At lunch time our canteen will be supporting the event with red nose cookies being offered as a pudding

We will be selling Red Noses for £2 each in the Office to support Red Nose Day

There will be prizes for the winners of the silliest socks, including the opportunity to choose a charity supported by Red Nose Day to receive an extra donation

Please do support this tremendous charity, who do so much important work. We hope the day will be a huge success and very enjoyable.

Regards,

Mr Mepham
Year 5 Tutor
