

# Maths & English Groupings

14<sup>th</sup> March 2025

Dear Parents,

I am writing to inform you of some upcoming changes to our Maths and English class groupings, which will take effect from next week.

Following a thorough review of recent assessment data and ongoing pupil progress, we have made some adjustments to our teaching staff and class configurations. These changes have been carefully considered and are designed to ensure that all pupils receive the most effective and targeted support in these core subjects. Our primary goal is to maximise the potential of every child. We believe that these refinements, coupled with our ongoing intervention programmes, will lead to even more positive outcomes for your children.

We understand that changes to class groupings can sometimes cause concern, but please be assured that these decisions have been made with the best interests of your child's learning at heart. The teachers involved have been briefed and are prepared to ensure a smooth transition for all pupils.

Finally, I would like to remind you of our upcoming SATs Parents Evening, which will be held next Thursday, 20th March. This is an important opportunity to understand the SATs process and prepare for the upcoming assessments. We strongly encourage you to attend.

If you are planning to attend the SATs Parents Evening, please confirm your attendance by completing the following online form: <https://forms.gle/5MGmtkkUKAoMiGzJ7>

Thank you for your continued support. We are confident that these changes will have a positive impact on your child's learning journey.

Yours sincerely,

**Mr M Bowker**  
**Deputy Headteacher**
