

Update.....

18th July 2022

Dear Parents,

We hope you are all staying safe and keeping as cool as possible. Thank you so much for all your support for our decision to close to pupils today. As predicted, classroom temperatures are currently ranging from 28 to 37 degrees. These will rise by approximately by 4 to 5 degrees with pupils present. We have revisited our risk assessment and have made the decision to be closed to pupils again tomorrow, Tuesday 19th July.

Work will be set by teachers on Google Classroom but we are mindful that the stay cool advice recommends not using electronic devices due to temperature when operating!!

If you are a Keyworker, critical to education or care, please use Parent Pay to register for a limited number of Emergency Pupil Places for Tuesday.

Stay safe in the heat - St John Ambulance has short two minute video tutorials on how to treat [heat exhaustion](#) and [heat stroke](#). Brief guidance on the conditions from the NHS can also be read [here](#). Tips from the Met Office on how to keep cool can be read [here](#).

We **WILL** be fully open to all pupils and staff on Wednesday 20th July with no ties or sweatshirts as last week.

The academy is still staffed so please call if you need our help, advice or support.

Yours sincerely

Miss E. Wilkes
