

# Yr 6 Maths Curriculum

## Next topic – booklets available from Reception

OAKFIELD ACADEMY  
BELIEVE AND ACHIEVE

11<sup>th</sup> February 2021

Dear Parents,

Year Six have now completed their most recent maths unit (percentages) and will be moving on to algebra after half term.

Whilst all the materials will be posted onto Google Classroom as usual, we know that some students find it easier to have a paper booklet to work from. We have created booklets for our next topic of algebra, and these are now available to pick up from the academy Reception. You do not need to order one in advance – please just pop into Reception, one parent at a time wearing a face covering. If your child is currently attending school, they will be given their booklet by their teacher after half term.

Thank you for your continued support – and have a great half term break.

Kind regards,

**The Year Six Maths Team**
