

Year 6 PARENTS' EVENING

Thursday 13th January 2021 (3.30 – 7.00pm)

Online Appointment Booking

Dear Parents,

We would like to invite you to our virtual Parents' Evening on Thursday 13th January. This evening will give you the opportunity to discuss your child's autumn report (which was sent via the Sims Parent App last term) and their progress in the core subjects of Mathematics and English with their subject teachers. If your child is taught by more than one teacher for the same subject, please be advised that you can only make an appointment with one of them.

All appointments are now made online and details can be found on our website. This is your opportunity to meet with your child's teachers by video call. Once you've booked your time slot, the video appointment is accessed via a link. You don't need to download any software, the video appointments are encrypted, and you can keep your camera switched off if you prefer. We hope you find it a helpful way to meet the teachers.

Bookings open on Friday 7th January at 3pm and your final opportunity to make appointments will be up to 9pm on Wednesday 12th January. Should you wish to make any changes after this date, please contact the academy office.

Please visit <https://oakfieldacademy.parentseveningsystem.co.uk> to book your appointments.
