

Letter to Year 5

OAKFIELD ACADEMY

BELIEVE AND ACHIEVE

15th June 2020

Dear Pupil,

I can't believe another week has gone by! It's still very strange with so few pupils and the ones that are in are becoming very adept at mastering the art of handwashing! Lots of learning is going on here using the little lessons, and when the weather has been ok we have been outside doing lots of PE including yoga with Mrs Simpson and I even saw Ms Mundy demonstrating some football skills!

The other staff have been busy too – amongst other things, Mrs Reynolds has been showing pupils how to make an object look 3-D with clever shading;

Mr Ward and Mrs Woods have been reading Kensuke's Kingdom and multiplying fractions;

Mr Oates and Mr Mepham have been finding out about Henry VIII and his wives;

Mrs Roberts, Mrs Gallop and Mr Hughes have been discovering more about the rainforest and life in Brazil.

So although we are all missing you, we are keeping busy – and the photos you have sent in this week show that you have been busy too! Remember to keep sending your pictures in to Year5@oakfieldacademy.org and I will include them in these letters.

Unfortunately I have no gardening tales this week as the weather has been so awful!

Take care and stay safe,

E Green
