

Letter of Complaint...

In order to think about what you don't want to happen at your theme park, read through the letter on your desks.

- How many mistakes can you find with the letter?
- Can you correct them?

#What things can you learn from this parks mistakes not to make at yours?

Whats in a Theme Park?

List down as many types of attractions as you can that are within a theme park. Use any that you visited previously as well as anything you have seen on TV....

Medieval Theme Park

- You are to create your own medieval theme park. Creating various rides that people can enjoy and also learn from.

Possible Topics to Include

- Castles
- Medieval Towns
- Medieval Villages
- Black Death
- Battles
- Games and sports

You will create....

A proposal that demonstrates:

- Two main ride attractions
- Concept sketches of the unique features
 - Restaurants/ Menus
 - Gift Shop Merchandise Ideas
- A map to demonstrate size and scale of your zone.
- How your zone meets the authentic history behind Medieval times.

**USE YOUR IMAGINATION TO
CREATE SOME WONDERFUL RIDES!!**

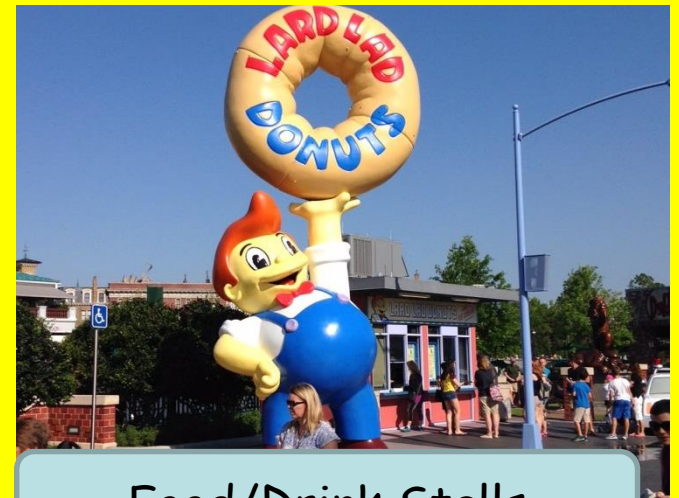

Rides/ Attractions

Landmarks

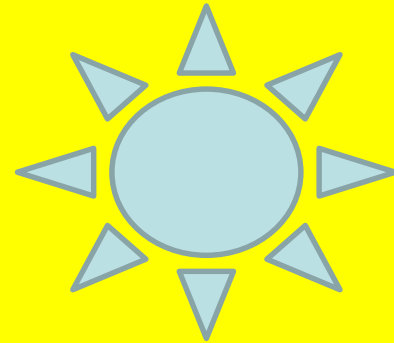

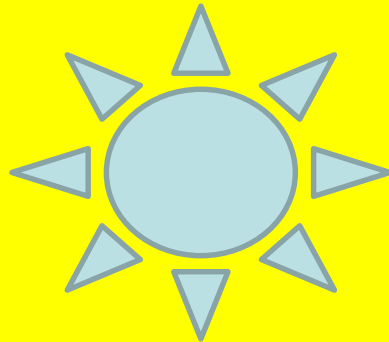

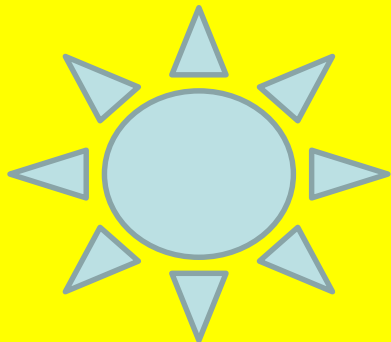

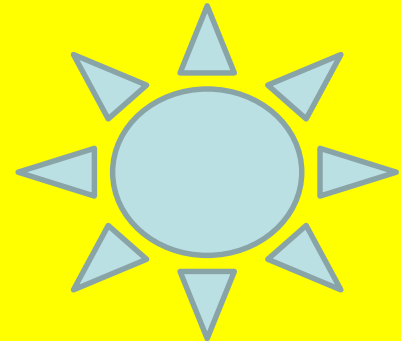

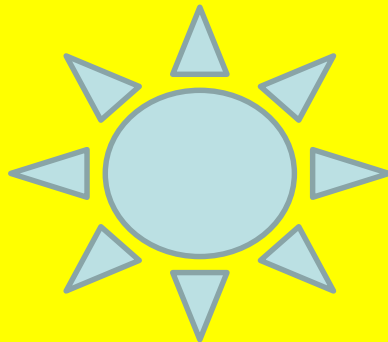

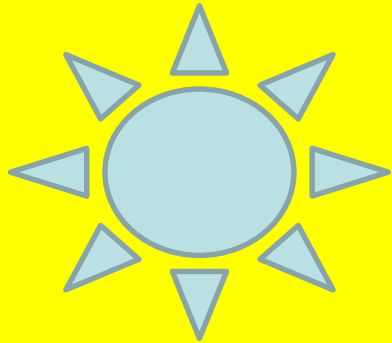

Characters walking around

Food/Drink Stalls

How can these videos help
your projects?

How are you at selling something? (half way mark)

Using the random object generator work in pairs to create a 30 second speech that persuades people to buy the object.

Random Object Generator

Welcome to the Random Object Generator!

You can now easily quiz yourself with this awesome generator!

In this version, the generator generates out a list of random objects from our "objects bank", which ranges from animals to grocery list items and even furniture in your house! It then lists them out in a random order!

To quiz yourself, all you have to do is to use our [memory techniques](#) to remember them in order!

Enter the number of random objects you want here (1-46):

Click the button above to have this filled with random objects!

In order to convince President Business of your theme park proposals you must look to discuss:

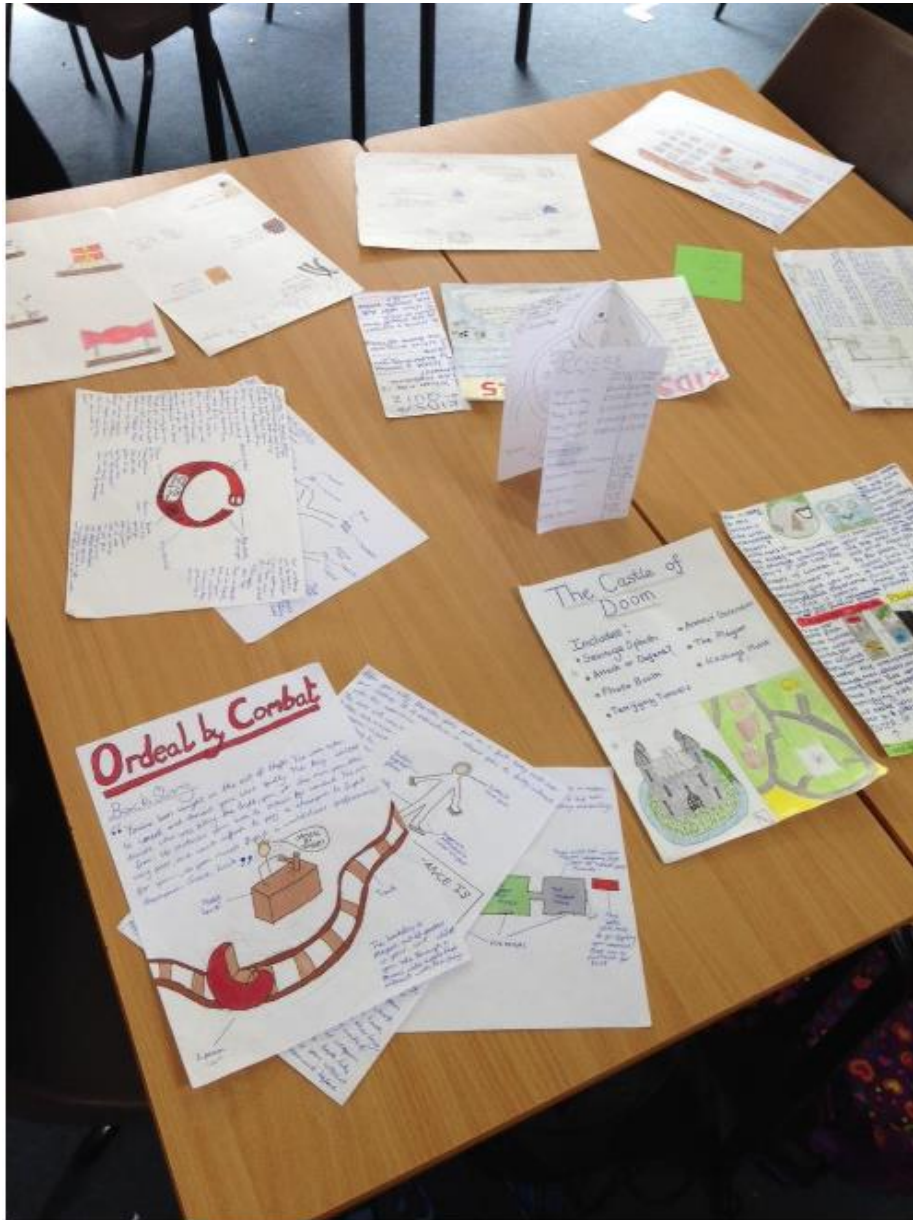

- Two main ride attractions
- Concept sketches of the unique features
 - Restaurants/ Menus
 - Gift Shop Merchandise Ideas
- A map to demonstrate size and scale of your zone.
- How your zone meets the authentic history behind Medieval times.

**You have 1-2 minutes to sell me
your theme park proposal above
others!**

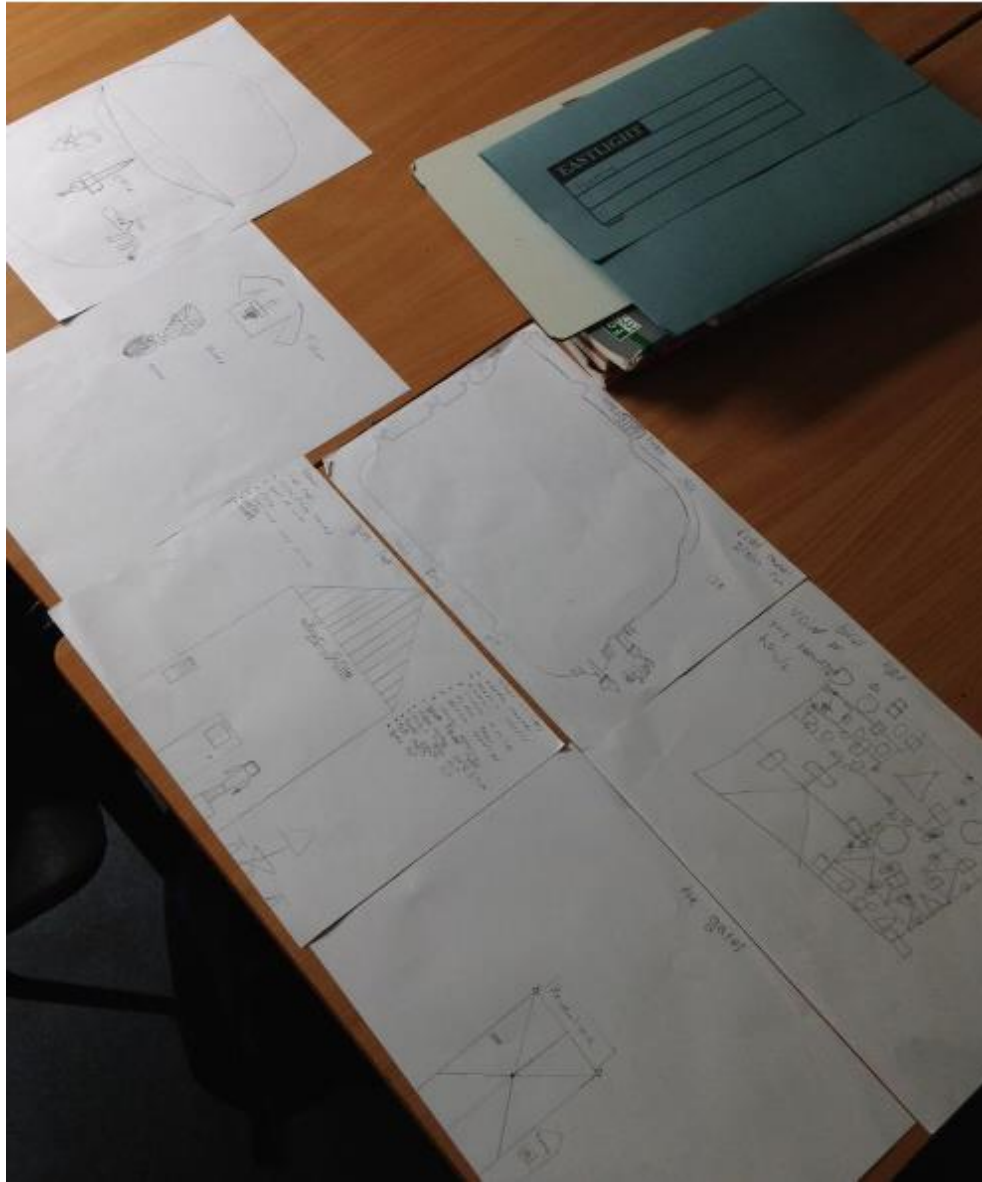

Corrections to your Black Death Stories...

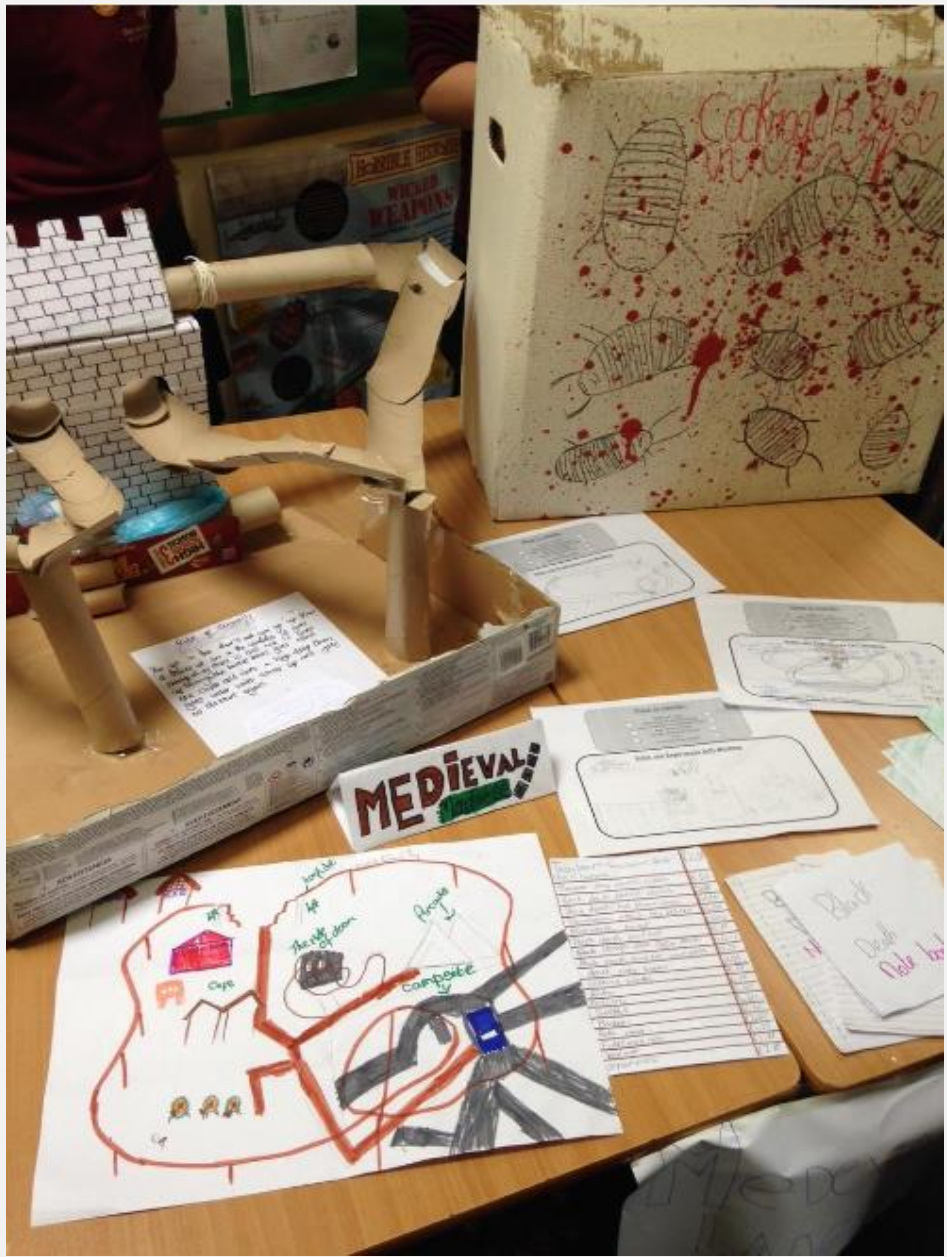

- Grab a **green** pen from the pot.
- Correct/ improve your piece of work based upon Black Death.
- If you have any other work to improve on after, please complete the corrections for that as well.
- **REMEMBER:**
- Spellings x3 each (unless specifically requested)
- Punctuation x3 each (Misuse of capitals/full stops etc.)

Does your work
represent 4
lessons worth?

Things to Consider:

- Name of rides
- Sketches of key features
- How it relates to medieval times
- Age restrictions?
- Unique characteristics?
- Cost
 - Food & Drink stalls?
