

SATS in May 2024

14th March 2024

Dear Parents,

Thank you to all our parents that were able to attend the SATs Parents Information session on Monday evening. We are writing with more information on how you can support.

In preparation for SATs in May, your child should have been given 3 booklets to help keep their brain working over the Easter break! There is one maths booklet, one reading booklet and one booklet covering grammar, punctuation and spelling (GPS).

Each booklet contains 10 short sections (that should take 10 minutes each), specially designed to support your child's learning. All the information you need is on the booklets - basically, little and often is the best way to approach these tasks.

The answers (and spare question booklets in case of mishaps) are on this Google classroom:

<https://classroom.google.com/c/NjY4Nzk1MDM3Mjl5?cjc=6zmbs4o>

It is a good idea to check answers after each day's practice. If there are any questions that your child finds difficult, please highlight them and teachers will explain any tricky bits when we are all back in school after the break.

Thank you for your support with this - and all best wishes for a very Happy Easter.

Kind Regards,

Mr Oates
Head of Maths

Mrs Roynon
Head of English
