

Dear **Parent/Guardian**,

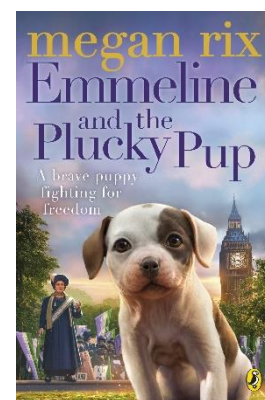

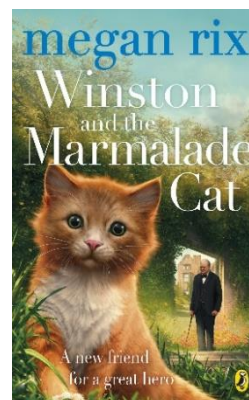

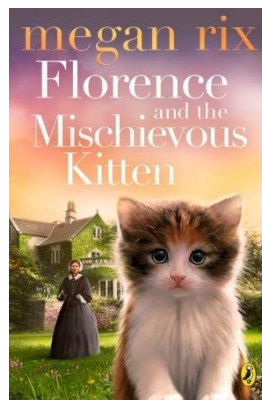

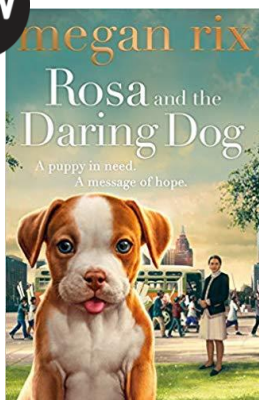

Your child will be attending an event with award-winning, bestselling author **Megan Rix** on **Thursday 26th September** and will have the **opportunity to buy personally signed and dedicated copies of her books.**

Megan will be bringing her Assistance Dog Freya to the event, a confident happy puppy who loves children and is completely unfazed by noise or by being in an unfamiliar environment. Freya will be on her lead during the event, but please inform your child's tutor should Freya's presence cause any anxiety, or of any relevant allergies.

Should you wish your child to be able to purchase books on the day, they will need to bring money with them in order to avoid disappointment. **All books will be available at the special price of £5.**

NEW

Research shows that author events in schools inspire children and help them on their journey to a love of reading. Even the most reluctant readers come home feeling inspired and motivated to read the author's book after such a visit and having books signed and personally dedicated is an inspiring and memory-building experience.

'The impact of an author visiting shouldn't be underestimated. These are the types of things that people talk about when you ask them what they remember about school.'

Times Educational Supplement

We hope your child will benefit greatly from this visit,

The Team at Puffin and Hunting Raven Books, Frome
