

Computing Department More Able & Further Learning Provision

OAKFIELD ACADEMY

BELIEVE AND ACHIEVE

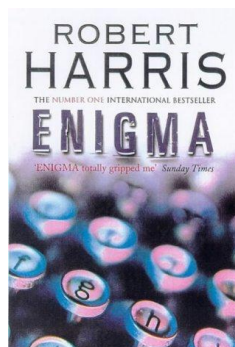

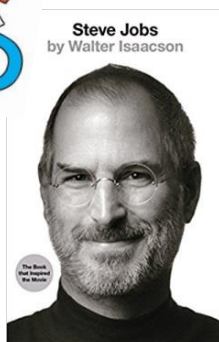

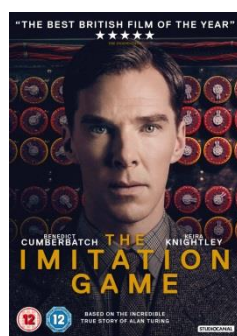

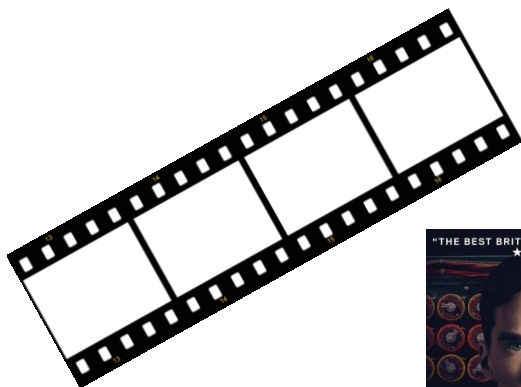

HOUR OF CODE

codecademy

Pupils can be encouraged to further their learning with reading around topics and subjects that may or may not be taught within the classroom.

The Hour of Code, Code Academy and Teach-ICT website allows access to;

- Consolidation of learning from resources.
- Free coding development courses
- Further learning, reading and quizzes towards GCSE materials.
 - Further one off/projects to explore at greater depth.
- Updates of Computing in the news from various media sources.

Tourist attractions that pupils may want to visit to enrich their Computing education;

- The National Museum of Computing, Milton Keynes
- Hursley Park, Hampshire
- The Science Museum, London
- Retro Computer Museum, Leicester
