

OAKFIELD ACADEMY

BELIEVE AND ACHIEVE

Design and Technology: Greater Depth and Scholarship Ways to engage with DT outside of the classroom

Follow all our updates on [@OakfieldAcorns](https://twitter.com/OakfieldAcorns)

Who to Follow: Twitter & Instagram (ctrl+click their page)

@DT_chat: A great way to keep up to date with all the latest developments in the subject

LangtonDesign: A school in the South East that champions the subject of DT

@pauloctavious: A wonderfully innovative designer who shows you the whole process from design to build

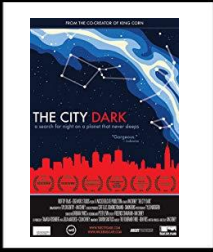

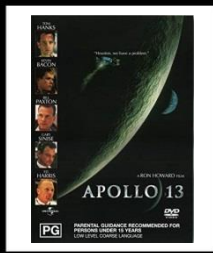

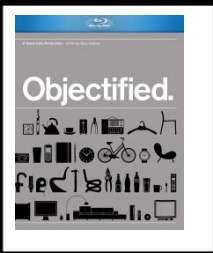

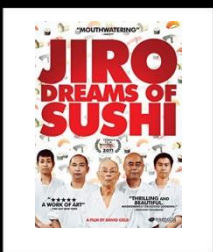

@engineering_made_easy: Provides quality engineering posts

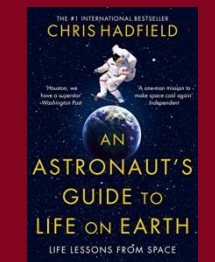

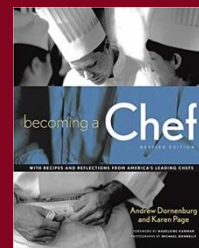

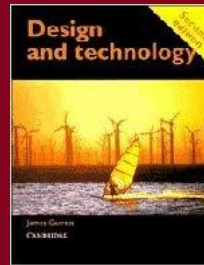

@nasa: The official Nasa Instagram account, with loads of links to other space based accounts.

Movies to watch

Click+ctrl each image to link trailer

Pupils may wish to engage further in their DT skills with reading fictional novels and non-fictional books (*click+ctrl each book to link to its Amazon page*)

Tourist attractions that pupils may want to visit to enrich their DT Learning:

Clifton Suspension Bridge, Bristol

M-Shed Bristol

[Bath Fashion Museum](#)

[Institution of Civil Engineers, Plymouth](#)

[RIBA Architecture South West Bath and Bristol](#)
