Happy New Year!

Sending all good wishes to our Oakfield families for a happy and healthy new year. I hope that you all enjoyed a wonderful Christmas break.

Wellbeing Award

Over the course of the next 12 months, our school is working towards achieving the 'Wellbeing Award for Schools.' Our work towards achieving this award promotes positive wellbeing and mental health for the whole school community and also recognises the work that we already do in this area.

With this award, we will demonstrate that:

- 1. We are committed to promoting and protecting emotional wellbeing and mental health by achieving the Wellbeing Award for Schools.*
- 2. We have a clear vision and strategy for promoting and protecting emotional wellbeing and mental health, which is communicated to all involved with our school.*
- 3. Our school has a positive culture which regards emotional wellbeing and mental health as the responsibility of all.*
- 4. We actively promote staff emotional wellbeing and mental health.*
- 5. We prioritise professional learning and staff development on emotional wellbeing and mental health.*
- 6. We understand the different types of emotional and mental health needs across the school and have systems in place to respond appropriately.*
- 7. We actively seek the ongoing participation of the whole-school community in our approach to emotional wellbeing and mental health.*
- 8. We work in partnerships with other schools, agencies and available specialist services to support emotional wellbeing and mental health.*

We will shortly be asking parents/carers to complete an online questionnaire about our current practice. Do please take the time to complete it – your responses will help us to plan our work in this important area.
