Midday Vacancy One of our midday assistants, Mrs King, will sadly be leaving us at the end of this term. We are so sorry to be losing her and I am sure that you will wish to join us in thanking her for the outstanding care that she has given to our children during her time here - she will be very much missed!

We are now seeking to recruit a new midday assistant to join our team. If you are interested, or know someone who may be interested, please contact Mrs Boyle in the school office.

Dogs! It has been lovely to see many of our families bringing their four-legged family members on the walk to school with them recently. We do have a small number of children who are very frightened of dogs, so could I please ask that, if you bring your dog to the school gates, you keep it under close control and don't allow it to jump up at the children? Your dog may be friendly, but some of our children find this very intimidating. Also, please don't forget to pooper-scoop! Thank you!

Christmas As I am sure you will have realised, Christmas in school will be very different this year. Unfortunately, we will not be able to hold our usual events, such as Nativity and Carol Service, for parents/carers in school. However, we do have plans underway for an alternative Christmas celebration, which we intend to share with you on our private YouTube channel. We will also continue with our celebrations for the children in school. Although it will look a little different, there will be Christmas Dinner Day, Christmas Parties and plenty of Christmas fun. Staff will take lots of photographs and we will share them with you via Class Dojo and Twitter. Our Oakfield children will still have a wonderful Christmas to remember! Further details to follow...

COVID Procedures Thank you so very much to all of our families for your care and commitment in keeping our school family safe - we really appreciate the great efforts that everyone is going to. Just a reminder - any person who is self-isolating should not be leaving the house to bring children to school. Over the past few days, we have noticed a number of high school pupils coming to school to drop off or collect brothers and sisters. If these young people are at home because their school bubble has closed, please do NOT send them here to drop off or collect their siblings. This is for the protection of everyone. Thank you for your co-operation.
