

Welcome to Year 4, The adults in our class are Miss Brettell and Miss Fletcher. We are really looking forward to learning with you this year!

Our learning for the term  
Our English texts: Arthur and the Golden Rope, Viking Voyagers and The Dragon's Hoard, are linked to our Viking topic.

Supporting your child at home  
Our Learning Conversation will be shared every Monday and includes questions that you can ask your child about their learning each day.

#### Reading

Children are asked to read daily. This can be a Recommended Read or a library book.

#### Spelling

A weekly spelling task will be uploaded to Class Dojo every Monday, linked to our learning in school.

#### Maths

A weekly maths task will also be added on a Monday and reinforces learning from the previous week. TTrockstars should be practised at least 3x per week

#### PE

Our PE days are Thursday and Friday.

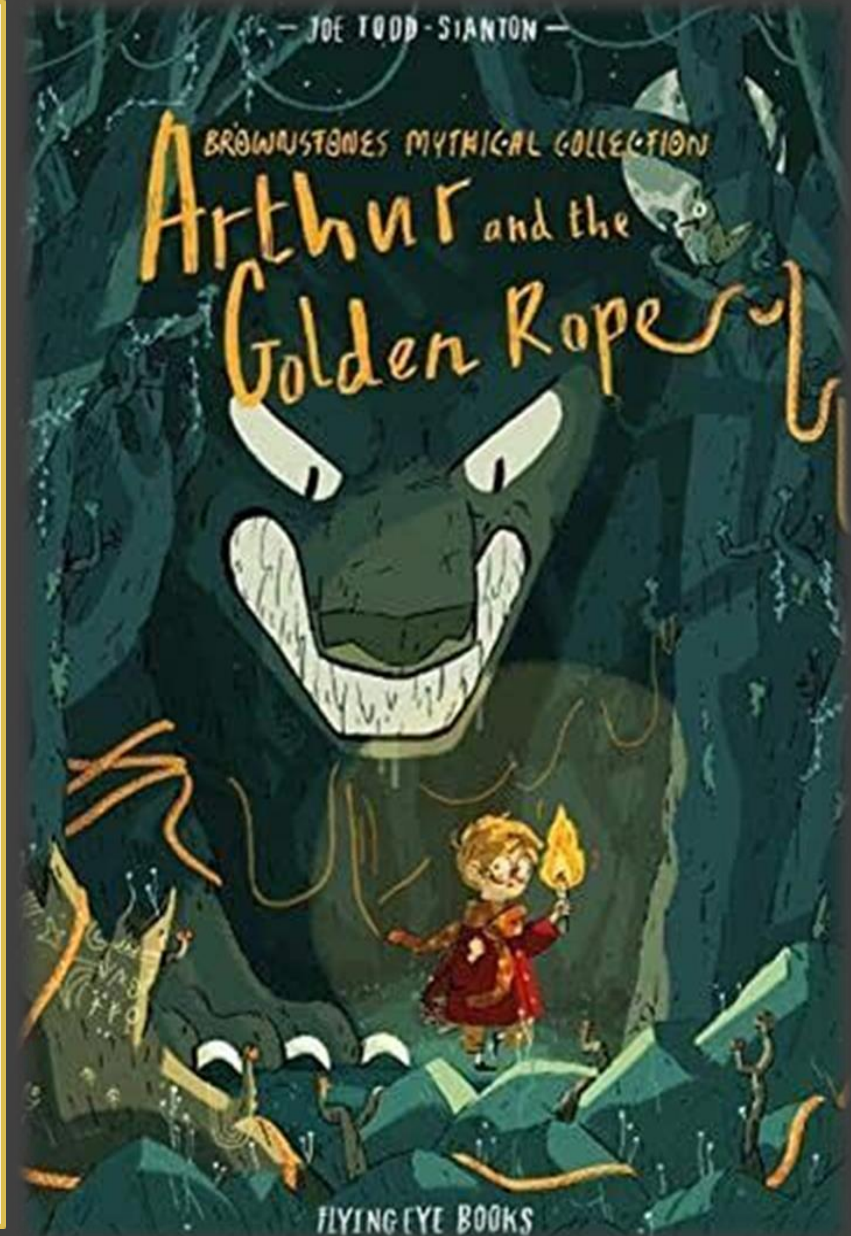

On these days, your child should come to school in their PE kit: a plain white t-shirt, black joggers or leggings and a school jumper or hoody

#### Class Dojo

Class Dojo is our method of communication – it is used to share messages with you, Learning Conversations and homework.

As I will be busy teaching, please send any messages, during the day to the school office so they can be answered promptly.

Thank you!

English

Fact file, character description, continuing the narrative (third person), diary, thought bubbles, persuasive poster, poetry (alliteration).

We will be learning about where our food comes from in Geography, and thinking about how this relates to different biomes. We will also consider the effects of transporting this food around the world.

Geography

History

We will be learning about whether the Vikings were raiders, traders or settlers in History

We will be learning about digestion in animals including humans, and energy in science

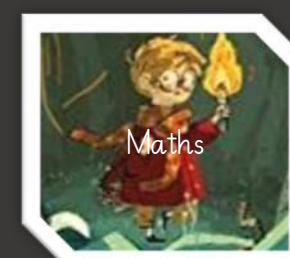

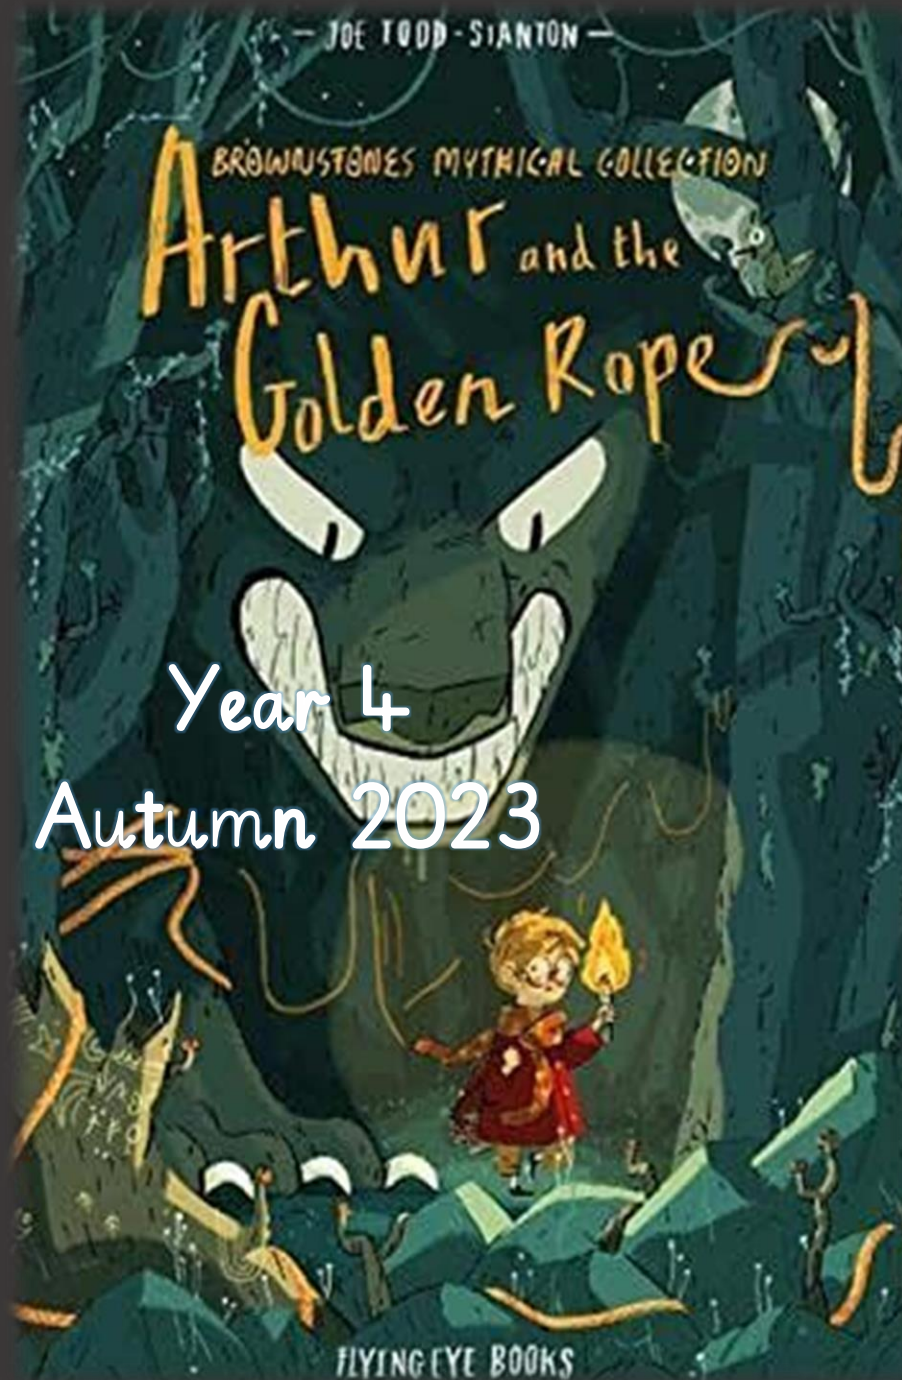

Science

In PE we are going to be playing football and netball, as well as learning some mindfulness techniques, and dancing like animals

P.E

Maths

Place value, fractions addition and subtraction, measurement, multiplication and division, decimals and percentages, ratio and proportion, shape, angles and statistics.

In Art we will be looking at power prints. We will be learning about shading and combining shapes. In DT we will be learning about mechanical systems by building a slingshot car.

Art and DT

Computing

Digital Literacy – Copyright and ownership, privacy and security  
Computer science networks  
Information technology- emails

Health and well-being  
How special is the relationship Jews have with God?  
What is the most significant part of the nativity story today?
