

Welcome to Year 6!

We are really looking forward to our first term together!

Our learning for autumn will focus on WW2 and, through our texts, we will be learning about the key events and the experiences of children at this time.

On Thursday 12th September, we will be visiting Stockport Air Raid shelters for an evacuee day.

Our learning together

afternoon will be on Wednesday 2nd October, 1:30-3.

Further information for both events will be shared with you.

Supporting your child at home

Our Learning Conversation will be shared every Monday and includes questions that you can ask your child about their learning each day.

Reading

Children are asked to read daily – this can be a Recommended Read or a library book.

Spelling

A weekly spelling task will be uploaded to Class Dojo every Monday, linked to our learning in school.

Maths

A weekly maths task will also be added on a Monday and reinforces learning from the previous week. TTrockstars should be practised 3x per week.

PE

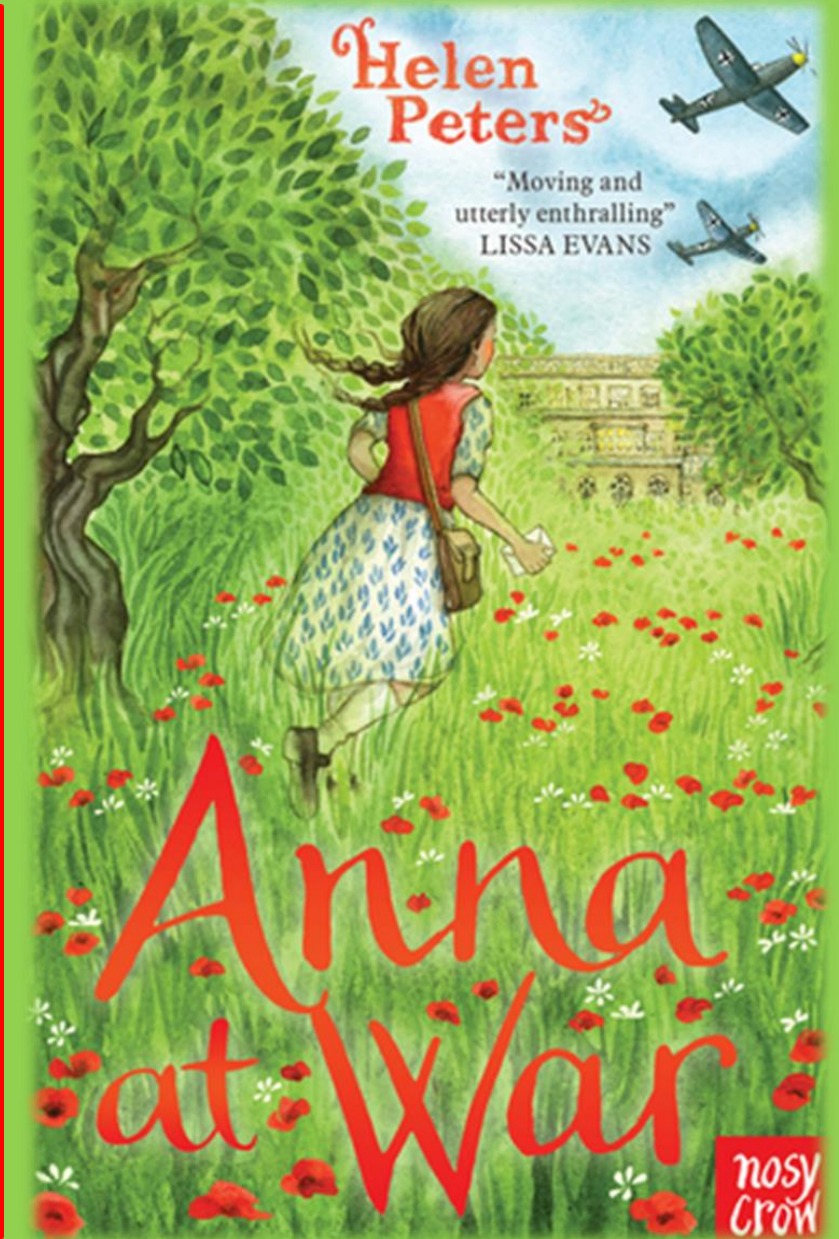

Our PE days are Tuesday (swimming) and Monday (in school).

On these days, your child should come to school in their PE kit: a plain white t-shirt, black joggers or leggings and a school jumper or hoody.

Class Dojo

Class Dojo is our method of communication – it is used to share messages with you, Learning Conversations and homework. If you need us during the school day, please message the office.

Thank you,
Mrs Chamberlain and Mrs Garton

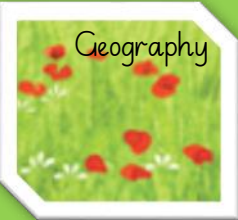

English

Diary writing as Anna, first person narrative, continuing the narrative in third person, a formal letter to Neville Chamberlain, a persuasive poster for kindertransport and narrative poetry

Why does population change? Investigating why certain parts of the world are more populated than others; exploring birth and death rate, discussing social, economic and environmental factors and learning about the population in Britain over time
