

Reception Newsletter Autumn 2017

Thank you for supporting a successful transition into Reception. Children have settled in really well and have enjoyed their first two weeks in 'big school.'

Reading and writing

Children will be learning to read and write using the 'Letters and Sounds' phonics programme. We will be learning to re-tell the stories using actions and key words and developing our language through role-play and small world activities.

Maths

In maths we will be learning to estimate and count objects accurately in a range of situations, use an increasing range of mathematical language, recognise, continue and create repeating patterns and use shapes appropriately to make models and pictures.

Topic

Our topic for this term is 'My Wonderful World.' Through this topic children will get opportunities to share with their friends and adults all the things that make them unique. They will be telling us all about their interests, homes, loved ones, pets, favourite toys and much more. Children will be comparing similarities and differences between themselves and others and thinking about what makes each one of us special. Children will be investigating features of their environment, looking at different types of buildings and their uses, transport, animals and plants.

PE

The children will be doing PE on Mondays. Please ensure your child has their PE kit in school and that all items are labelled with their name. Please encourage children to practise getting dressed independently at home to help them get changed quickly in school! Please also ensure that earrings are not worn on these days.

Follow us on Twitter!

Our class has a Twitter account. Parent, carers and friends who follow us get a chance to see the exciting things that happen in our Class. Setting up a Twitter account is quick and easy – why not join and then you could follow us too?
