

Year 2 Newsletter Summer 2018

Welcome back!

We hope you had a relaxing Easter, as we are now looking forward to another fun term of learning in Year 2! Reading books will continue to be changed on a Thursday. Please ensure your child is reading every day for 5 minutes and that you sign their planner. They will also be able to change their library book every Tuesday. We hope the children continue to read and enjoy the selection of books from the reading corner in our classroom. These books can be changed when they have finished reading them.

English

In English, children will be looking at a variety of text types, including narratives, information texts and non-chronological reports. The children are already enjoying reading 'The Tear Thief', which will inspire their writing.

Maths

Our weekly times table challenge is on a Wednesday. This term, we will be developing our problem solving skills to help us choose efficient methods to answer calculations. We will also explore different measurements, including time and mass, capacity and temperature.

Topic

Our topic this term is 'Fly high, touch the sky!' Within this topic, we will be learning about the first aeroplane flight. We have already made a replica of the plane that the Wright brothers made! We will be exploring the world's seven continents and five oceans and will be designing and creating a moving vehicle to travel around the world. In science, we will be identifying and comparing the suitability of different materials.

PE days and routines

This term, our P.E. days are Tuesday and Friday. We will be developing our running, throwing and catching skills whilst playing team games. Please ensure your child has full P.E. kit in school for these days and that it is clearly labelled with their name. Please remove earrings if your child cannot do this independently.

Follow us on Twitter!

Our class has a Twitter account. Parent, carers and friends who follow us get a chance to see the exciting things that happen in our class. Setting up a Twitter account is quick and easy - why not join and then you could follow us too?
