

Year 3 Newsletter Autumn 2017

Hello! Welcome to Year Three.

My name is Miss Bromley and I am so excited to have joined the Oakfield family! I am really looking forward to teaching your children and have loved the first three weeks of term. This year there is going to be lots of hard work but even more fun!

If any parents or guardians have any concerns or would just like to pop in for a quick chat, I will have an open classroom each Friday until 4pm. Please feel free to come along.

English

In English, we will be reading *The World's Worst Children* by David Walliams and getting to meet all of the troublesome characters, from Dribbling Drew to Bertha the Blubberer! Whilst we explore this book, we will be working on writing our very own short story all about one of the world's worst children. I wonder what the character will get up to!

Maths

In Maths this term, we will be learning all about numbers up to 1000. This will include: introducing the hundreds place value, number lines and writing numbers as words. The fantastic learning that we have been doing can be found in our classroom, on the Maths wall.

Topic

In our Topic lessons this term, we will be going back in time to 7000BC and travelling across the globe to the River Nile, as we learn about the Ancient Egyptians. We have already been lucky enough to have a visitor come to our school to do a build-a-pyramid work shop where we learnt lots of interesting facts about how the pyramids were formed and how the pharaohs were mummified!

Routines

In Year Three, we have P.E. on Mondays and Thursdays, after dinner. These lessons will be both in in the hall and in our outdoor areas. Please ensure earrings are removed on these days.

Mrs Hartley will check planners and change reading books every Friday. If anyone finishes their book before Friday, the children may put their planner into our 'Planner Box' and this will be changed the same day.
