

Year 6 Newsletter Spring 2018

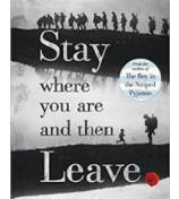

Welcome back!

We hope you had a lovely Christmas and enjoyed a well- deserved break. Reading books will continue to be changed on a Thursday. Please ensure your child is reading every day for 5 minutes and that you sign the planner. Please take time to talk to your child about their book and ask questions about what they have read. Children will also be able to change their library book every Tuesday.

English

In English, children will be looking at a variety of text types, including: Diary Writing, Instructions, Narrative Writing, Narrative Poetry and Non-Chronological Reports. Some of the texts we will be reading include 'What not to do if you turn invisible' and 'Stay where you are and then leave.'

Maths

In maths, we will be recapping and learning new skills involving the following operations: Multiplication and Division, Fractions and Decimals

Topic

Our topic this term is 'Your country needs you!' Within this topic, we will be learning all about World War One. In science, we will be investigating living things and how to classify them. We will be doing many investigations this term including our first one, investigating micro-organisms within mouldy bread and yoghurts!

PE days and routines

This term, our P.E. days are Tuesday and Friday. We will be learning about healthy living and dance. Please ensure your child has full PE kit in school for these days and that it is clearly labelled with their name. Please remove earrings if your child cannot do this independently.

Follow us on Twitter!

Our Class has a Twitter account. Parent, Carers and friends who follow us get a chance to see the exciting things that happen in our class. Setting up a Twitter account is quick and easy – why not join and then you could follow us too?
