Theme	All about Me	Transport: Past and Present	Space	Growing and Changing	Kings and Queens	Stories from the Past
	My family, my school, my environment, the people around me, people who help us.	Modes of transport now, local transport, early transport including George Stevenson and the Steam Train, local transport in the past, exploring and travelling.	Our planet Earth, the moon, the sun, the planets in our solar system, space travel, astronauts, the International Space Station	Seasons, plants, what plants need to grow, how we grow and change, how animals grow and change, how things around us change.	Past Kings and Queens, our Queen, coronations, The Magna Carta, Buckingham Palace, London, Locally significant areas in the past	Oral storytelling, Greek Gods, St George and the Dragon, Myths and Legends
Transition from Pre-school	School liaises with pre-school to gather information about children, share information about what the children can expect. EYFS teacher visits children in their own homes to get to know them better. Activity suggestions given for over the summer holidays					
Communication and Language Including daily phonics sessions, whole class and small group story sessions.	Listen to others one on one or in small groups, e.g. talk about families in circle time and share pictures. Join in with repeating refrains and anticipating key events and phrases in rhymes and stories e.g. in songs, poems, familiar stories, call and response games. Understand use of objects and tools in the classroom e.g. children know what they can do during independent free flow time, they know how to select the tools they need to make a junk model, to write a letter to someone etc. Respond to multi-step instructions e.g. first we need to put our coats on, then we need to zip them up, then we will get ready to go out to play. Retell past events from stories and from own experience in chronological order; e.g. describing a day at school, describing what they did at the	Join in with repeated refrains and familiar stories. Follow directions, recognising left and right e.g. in games such as Simon says Show understanding of prepositions such as 'under, on top' e.g. when tidying the classroom children can say where things belong. Use vocabulary, including phrases, from recently read stories in conversations e.g. children can talk about George Stevenson's Rocket and why it was important Ask questions using what, where, when and why to find out information, e.g. when learning about things from the	Build up vocabulary that reflects knowledge and experience e.g., children can talk about space, what they know about it, what an astronaut does, how we know about space Use different tenses to discuss things that are happening now and things that happened in the past, and things that happened a very long time ago. Ask relevant questions to find out more information e.g. when sharing a non-fiction text children can say 'I wonder why...' Share opinions, explaining preferences e.g. My favourite planet is... because...	Focus attention in a variety of situations; in small groups, 1:1 and whole class Understand 'how' and 'why' questions and use them in a variety of contexts e.g. how do people change as they grow? Use increasingly complex sentences to link thoughts e.g. using 'and', 'because'. E.g. this plant did not grow well because... This plant grew really well because... Use newly acquired vocabulary to name and describe, and in conversations e.g. children can discuss	Describe a pretend object in play based situations, e.g. when role playing a coronation a child might use props for their orb and sceptre. Question to understand why things happen e.g. who, what, when, how e.g. when a visitor comes in to talk to the class, children can ask questions rather than just sharing information they know. Use intonation and rhythm when joining in with stories and rhymes. Respond to questions using full sentences, e.g. I think... because... this will be consistently modelled by adults in all curriculum areas.	Use talk to explain what is happening and anticipate what might happen next e.g. when reading about St George and the Dragon, children might explain what they think might happen to St George. Recall and relive past experiences; discuss special events, birthdays, in school celebrations etc. Retell events in order e.g. ordering events from the stories about Greek Gods that they've shared in class. Respond to comments from peers using full sentences, e.g. I agree with ... because... Explain ideas and experiences using different tenses, prepositions, temporal connectives and vocabulary

(In addition to Sounds Write Phonics, a systematic synthetic phonics scheme)	Fiction including picture books with familiar settings, relating to families, people who help us. Oral retelling of familiar stories using own words and recently introduced vocabulary. Story language; becoming familiar with phrases like 'once upon a time', 'a long time ago', 'lived happily ever after'. Use puppets to retell familiar stories. Poetry; learning and reciting simple poems with rhyme and repetitive language Initial sounds and simple CVC words in line with an SSP scheme Provide opportunities for mark making; stamps in playdough, wheels and other shapes for stamping into playdough, carving into fruit and vegetables. Upright mark making such as an easel, a tuff tray on its side, painting with water onto walls, window paints etc. Focus on letter formation in line with handwriting policy	Fiction & Non fiction books about transport Identify and anticipate key events in familiar stories including repeated refrains. Role play; using imaginative movement and vocabulary to recreate scenes from familiar stories Initial sounds and simple CCVC words and more in line with an SSP scheme Provide opportunities for emergent writing (with ongoing provision for mark making) e.g. writing letters of children's names in paint, sand, with water and brushes, tracing activities, rubbing activities, whiteboards and pens, clipboards outside etc. Focus on letter formation in line with handwriting policy	Fiction & Non-fiction texts about space. Suggestions to compliment White Rose Maths scheme.	Counting, recognising and writing numbers in a range of practical situations including role play, child-initiated play and adult led activities. Secure one to one correspondence; scaffold learning by modelling how we count objects by placing our finger on each one. Verbally count to and back from 10 and then 20 when appropriate. Numbers within 5; including subitise (recognise quantities without counting) up to five Number games, pattern games, ongoing mathematical provision for independent choice including numbers in sand tray, clocks, money etc.	Numbers within 10; including subitise (recognise quantities without counting) up to five number bonds and double facts up to 10 Properties of shapes, tessellation and repeating shape patterns. Colours and patterns; Create repeating patterns with beads on strings, patterns of coloured cars etc. Compacting quantities; e.g. pouring water or sand from one container to another and seeing which holds the most.	Quantity; more and less in different contexts including physical objects such as counters, capacity of containers, money and numbers e.g how many cubes can fit in this box? Can we fit more in this bigger box? How many more can we fit? Numbers within 20; automatic recall of number bonds to 10, secure understanding of numbers between 10 and 20, recognise the value of 10. Counting objects hidden in the sand tray, counting small objects using tweezers to move them from one pot to another.	Positional language; games where children move objects around and describe their position. Verbally count to 20 and beyond. Time to the hour and beyond; make clocks with cardboard and a split pin. Addition and Subtraction with numbers to 20 using concrete objects to support understanding. Odd and even numbers; using concrete objects such as numicon to support understanding.	Double facts to 10; exploring known facts and how we can apply what we know to new problems. Doubling using concrete objects such as buttons or counters. Comparing quantities of more and less; ordering numbers, recognising how many tens are in a two digit number. Money; begin to recognise coins and their value. Use a till and labels in a shop role play or a shop based tuff tray activity. Time to the hour and beyond; use a large clock to demonstrate.	Grouping and sharing; using concrete objects. Equal grouping and sharing. Sharing out counters, buttons, snacks at snack time etc. Measure; how do we measure things in our classroom? Use non-standard measure such as how many hands long is this table? Exploring using rulers and measuring tapes to measure our feet, each others legs etc. Time to the half hour and beyond. Addition and Subtraction within numbers to 20 in practical, concrete contexts. Write numbers in a range of practical situations e.g to label things, in role play area, with chalk on the playground etc.

Reception Curriculum Overview

Understanding the World- Detailed plan available	Past and Present (History)					
	My past, present, future and that of others including characters from stories Families; when I was a baby, when my family members were young. Family Trees, diverse representations of family life. Developing sense of chronology; before I was born, before I came to school, which classroom will I be in next year? Our school year – what will we do this year in Reception?	George Stevenson; The invention of the Steam Train Transport in the past; horse and carriage, motor cars, penny farthing, omnibus, ferry, other locally relevant transport from history Modern transport including the Japanese Bullet Train, hovercraft, racing cars, aeroplanes and other examples of technologically advanced transport Ernest Shackleton the explorer; The South Pole, the challenges of his journey	People who looked at the stars; Galileo. Traditional stories to explain the stars e.g. The hunting of the Great Bear What scientists and astronomers know about our Solar System now; our sun, the planets in our solar system. The Moon landings; Neil Armstrong The International Space Station; when and why it was built and launched	Farming in the past; locally relevant information e.g. local areas that used to be farmland, what was grown, what those areas look like now. How farming worked in the past; use of horses and carts, horses and cows pulling ploughs. Present day use of machinery in farming.	The Story of King John and the Magna Carta (Teachers to tell story based on historical events) Locally significant areas in the past e.g. a local historical building Queen Elizabeth II's coronation in Westminster Abbey.	Stories from Ancient Greece; Prometheus stealing fire from the Gods, Theseus and his battle with the Minotaur, Daedalus and Icarus, Athena and Arachne, King Midas and the Golden Touch Myths and Legends from around the world; Ali Baba and the Forty Thieves, Stories of King Arthur, Norse Gods St George and the Dragon
	People, Culture and Communities (Geography)					
	Location of our school and the local area My route to school; what do I pass? Do I take transport? What do we like about our local area? What would we change? Community; this means the people who feature in our lives, our school is an important part of our community, friends, families, religious communities, people with shared interests e.g. hobbies. People who help us in our community; including but not limited to teachers, doctors and nurses, firefighters, police, shop workers, rubbish collectors.	Transport in our local area and contrasted with transport for long journeys- children's experience of transport. Road Safety – how we travel safely. How people from different cultures travel; the tuk tuk in Bangkok, gondolas in Venice, Felucca in Egypt, Dog Sled in Norway.	Astronauts and Astronomers; including Mae Jaimeson, Tim Peak, Caroline Hershel.	Farming in our local area; what crops are grown where we live? Identify fruit and vegetables that can be grown locally, or within the local region. Identify where the fruit and vegetables we eat come from. Including but not limited to: Oranges: Spain Bananas: Central America Lemons: South Africa Pineapples: Costa Rica Apples: France Onions: The Netherlands Cauliflower: Spain Broccoli: The UK	The Monarchy; Queen Elizabeth II, the Royal Family, Buckingham Palace, Windsor Castle, Balmoral Castle. Countries around the world that have Queen Elizabeth as their monarch including; Canada, Jamaica, New Zealand, Australia and more. The Union Flag of The United Kingdom, flags from countries the children have connections to.	Locate the places that feature in the key stories chosen for this topic. Oral storytelling as part of culture; how we pass on stories within our families and communities. Ask an elderly relative to come in and tell the children a story.

Understanding the World- Detailed plan available	The human body: Facial features, body parts, the senses Seasons of the year; Autumn. Deciduous and evergreen trees. Observing leaves using magnifying glasses, leaves changing colour.	Forces: push, pull, twist Air transport Water transport Seasons of the year: Winter. Animal hibernation, why do some animals hibernate? How do other animals survive winter? Transport in the winter; snow ploughs, gritting roads, snow tyres. Changing state of matter; frost and ice- looking closely at ice, what happens when it warms? Why can we see our breath when it is cold?	Our planet Earth, land and sea, plants and animals, weather, gravity. The moon, the sun, the planets in our solar system, space travel, astronauts. Seasons of the year: Spring. The first signs of spring; snowdrops, cherry blossom, buds and flowers, birds nesting, bees, lighter evenings.	Growing and changing; how people change as they grow, how animals change as they grow. Life cycles of a butterfly and/or frog. Identify and draw the following animals and their babies including but not limited to: Sheep and Lamb Cows and Calf Horse and foal Butterfly and Caterpillar Frog and tadpole Dog and puppy Cat and kitten Plants; how they grow from seeds and bulbs. What plants need to grow. Identify parts of plants including roots, stem and leaves. Identify trees and plants growing locally on the school grounds or in local parks. Draw pictures of local plants.	Seasons of the Year: Summer. Signs of summer; flowers, warmer days, light evenings, butterflies, bees, birds. Design a garden for the Queen; what could we grow? What would we include? Sketch some ideas and write about the design.	Seasons of the Year: Summer. How we stay safe in the sun; sunscreen, hats, sunglasses. Safety around water. Changing state of matter; Why do our ice lollies melt?

Behaviour and Routines	Introduce STEPS and SLANT with pictures, modelling and deliberate practice Children taught how to line-up, walk quietly around school and be safe as they travel around during the school day. Lunchtime routines carefully explained, modelled, and practised – including ordering, walking with plate and cutlery, eating and clearing away, as well as manners to staff and each other. EYFS pupils use own playground at break times and taught playground expectations, including clearing away equipment and reporting injuries and worries to adults.	Children begin to attend some assemblies and practise how to come in to the hall, sit down and leave the hall. Continued deliberate practice of school routines. Indoor break time expectations shared, modelled and practised. EYFS pupils begin to use the KS1 playground at break times and taught KS1 playground expectations, including clearing away equipment and reporting injuries and worries to adults.	Children attend all assemblies and recap assembly routine. Recap and retrieval practice of STEPS and SLANT, lunchtime routines and how to move around the school safely and respectfully. EYFS pupils use the KS1 playground at break times and begin to use school field. Pupils taught school field expectations, including clearing away equipment and reporting injuries and worries to adults.
