

Old Hutton CE Primary School

How we spend our additional funding:

Sports Premium Funding 2022/23

Since 2013, schools have received an annual special Sports and Health funding grant directly from the Government targeted at improving sports, PE and 'health for life' provision. It is likely that this funding will continue for future years.

For the academic year 2022-23, we received a grant of £16,960. This is made up of a block amount, plus a further amount per pupil (pupil numbers taken from the previous year's census data).

We decide how to spend this funding each year through auditing our provision and meeting with school staff.

The PE we are required to teach as part of the National Curriculum are team games, dance, gymnastics, swimming, athletics, outdoor and adventurous activities; the curriculum also covers keeping fit and healthy. At Old Hutton, we prioritise Adventure (which includes outdoor activities) and Wellbeing (which includes physical, mental and spiritual wellbeing) among our Curriculum Drivers.

Our aims to improve sports/PE provision and health/wellbeing at Old Hutton CE Primary are:

- To maintain and **increase pupil enjoyment of and participation in sports/PE and adventure activities**
- To increase provision for **promoting fitness and healthy lifestyles** for our pupils
- To focus on **maintaining/developing the quality of wellbeing, mental and spiritual health of the whole school community**
- To increase opportunities for our pupils to **participate in shared sports events and competitions** with other schools locally
- To **broaden the range of sports/PE we offer** our pupils - both during school curriculum time and as extra-curricular opportunities
- To **improve our assessment of pupil achievement** in sports/PE and ensure **all pupils make at least expected progress**
- To **improve the quality of our PE teaching**, ensuring that all lessons reflect the outstanding status of the school
- To improve our **provision for both SEND and more able and talented pupils** in sports/PE
- To provide **skilled PE subject leadership** across school

Details of 2022-23 spending, plus impact (all figures are rounded)

SP21 funding for 2022-23 year (£16,960):

Provision	Amount	Impact
Real PE	£2750	We worked with Real PE to introduce and embed a new PE curriculum based on fundamental movement, balance and coordination. Through staff meetings we identified a need to introduce a new approach to teaching PE that was based on movement patterns and skill acquisition. The funding helped to reduce the cost of the curriculum package and pay for Real PE staff to visit school and support staff with implementing the scheme and adapting it to suit the needs of our pupils. The funding also provided cover for the PE lead to attend national training and to visit schools across the country.
Lakeland Climbing Centre	£850	As part of our extra-curricular provision we offered an after school climbing club at Kendal Climbing Wall to the pupils in Year 5/6. Over the ten week block the pupils learnt a range of climbing movement skills and different climbing rope work. The pupils also learnt about risk assessing and risk management.
Skip2bFit	£1560	Skip2bFit visited school three times during this academic year to deliver skipping workshops Spring and Summer Terms to deliver skipping workshops to all the classes. Skip2bFit sessions are based on children understanding the power of perseverance and how they can achieve anything with a positive mind set. The pupils (and staff) all loved the sessions! The legacy of these sessions is how skipping has now become incredibly popular at playtimes, during PE lessons and as part of a daily mile club. We also used the Sports Premium funding to purchase skipping ropes and Box2bFit resources that are used during playtimes, lunchtimes and after school clubs.
Windermere Outdoor Adventure Centre	£1600	As part of our adventure curriculum, the pupils in Year 5/6 completed 6 weeks of paddleboarding and kayaking. These progressive sessions taught the pupils a range of different paddling skills and styles. The sessions also taught the pupils a range of water based survival skills.
Tree Top Trek	£500	Class One, Class Two, Three and Four took part in a half day 'tree top trek' activity as part of our end of year school trip. These rope based activities tested pupils perseverance and teamwork skills. The sessions were an excellent end to our adventure curriculum focus.
Motion Dance	£2650	Motion Dance provided weekly dance sessions for the pupils in Class One. Sophie from Motion Dance delivers the sessions working alongside Class One staff. The sessions have provided brilliant CPD for staff, Sophie has also helped to further develop our PE curriculum. Sophie also delivers an incredibly popular after school dance club.
Bus Hire for Inter School Sports Competitions and Festivals	£600	Groups of pupils in Year 3/4 and Year 5/6 took part inter school sports festivals through the Autumn, Spring and Summer Terms. Pupils participated in Cross Country, Cricket, Golf and Football events. We used the sports premium funding to reduce the cost of the bus travel to these events.
Active Playtime Scheme	£1500	To encourage all our pupils to be active during playtimes and lunchtimes we have appointed staff to lead games and activities. The Sports Premium funding has also been used to purchase resources for these

		games and activities.
Daily Mile Club	£850	Every morning pupils take part in a daily mile club. From 8.30am pupils are dropped off at school to run laps round the school field. During the Summer Term over 25 pupils take part in the morning club. The Sports Premium Funding has allowed school to staff this club.
Extra-Curricular Club – Fit Club	£1500	We offer a popular extra-curricular Fit Club to pupils across the school. The weekly club focuses on improving pupils’ fitness levels and their enjoyment of being physically active. The club is led by a member of our support staff that is also a qualified personal trainer.
	TOTAL = £15,870	

Swimming

As part of the Sports Premium Funding we are required to publish the percentage of Year 6 pupils who meet the national requirement of:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively, for example, front crawl, backstroke and breaststroke
- perform safe self-rescue in different water-based situations

Please see below for the percentage of Year 6 pupils achieving the standard in 2022/23.

National Requirement	Percentage
swim competently, confidently and proficiently over a distance of at least 25 metres	100%
use a range of strokes effectively, for example, front crawl, backstroke and breaststroke	100%
perform safe self-rescue in different water-based situations	100%
