Newsletter #5 – Summer Term

SATs

This week, our Year Six pupils successfully completed their SATs tests. They all did an amazing job completing Reading, Grammar and Maths tests, showing great determination and resilience throughout the week. All of the staff are incredibly proud of the positive attitude and effort shown by every pupil. Class Four are now looking forward to celebrating with their well-deserved SATs party today!

Coding

Earlier this week, Year Five really enjoyed learning how to code mirco-bits in computing with Miss Brown. The pupils made nightlights, step counters and even a mirco-bit rock, paper, scissors game!

Nature Walk

On Wednesday, Class Two enjoyed reading one of our brand new books, The Oak Tree by Julia Donaldson. Inspired by the story, the class went on a nature walk to look for oak trees in our local area. The pupils discovered many beautiful oak trees of different sizes and ages and were fascinated by how much the leaf sizes varied depending on the size of the tree.

The pupils then decided that they would like to find out the ages of some of our local trees, so this is something the class will be exploring next week.

National Online Safety

This week's National Online Safety guide is about understanding online grooming, its warning signs and how to protect children from exploitation.

To create your own free National Online Safety account please click on the link below.
