Newsletter #9 – Summer Term

Paddleboarding

Class Four had a brilliant first session of paddleboarding and kayaking on Lake Windermere on Tuesday and Wednesday this week. The pupils worked with the staff from Windermere Adventure Centre to learn a range of different paddling skills. Class Four will be enjoying three more sessions on the lake before the end of the year.

Please note that the group who went paddleboarding this Wednesday will be going on Monday next week.

BAE Systems Workshop

On Wednesday Class Three became engineers for the day. Members of staff from BAE Systems worked with the pupils to build, program and operate their own robots! The class loved the opportunity to apply a range of STEM (Science, Technology and Engineering and Maths) skills during this fun and engaging morning of activities.

Sports Day

Sports Evening will hopefully be this Tuesday, 28th June, at 6pm (weather dependent). Please can you make sure your child is back at school for 5.45pm. On the evening, you will be able to enjoy watching your child participate in races and a carousel of athletic activities. There will also be refreshments available from the PTA. We cannot wait to see you all at this fantastic event.

Your child will need to wear their PE kit and they can also choose to wear their House Team colour. Scafell is red, Helvellyn is blue and Skiddaw is green. Please may your child also bring a water bottle and sun hat. If you are unsure what team your child is in, please ask and we will let you know.

Skip2bFit Skipping Ropes

All the classes loved taking part in their Skip2bFit workshop last week. Spending time with Dave during the skipping sessions has inspired the pupils to become champion skippers! As a result, the playground is full of pupils skipping every playtime and lunchtime.

If you would like to purchase a Skip2bFit skipping rope for your child to use at home, please email the school office by Friday 1st July. The ropes will cost £6.
