Newsletter #6 – Summer Term

Music Workshop

On Thursday morning, Class Three visited Kendal Town Hall to take part in a music workshop organised by Cumbria Music Hub. Our pupils, working with children from three other local schools, had a brilliant morning learning songs and dances all about climate change and the importance of caring for our planet.

Thank you to all the school staff for accompanying the pupils on the trip.

Jubilee Celebrations

We have had an amazing day in school today celebrating the Queen's Platinum Jubilee. All the pupils have learnt about the Queen's life and her 70 year reign this half term. Today, the pupils have designed and made their own crowns, had a scone with jam and cream and had a picnic on the playground at lunchtime!

Old Hutton Village Hall have kindly organised a Jubilee Party for all the children in our local community on Saturday 4th June. The party will start at 2pm and finish at 4pm. There will be games to play, a BBQ and music. It would be great to see you all there!

School Photos

It was great to welcome Mark from Wildchild Photography back into school this week to take class photos. Ordering information will be emailed out to all parents after the half term break. Mark will be returning to school on Wednesday 15th June to take individual and family photos of pupils who missed having their photograph taken on Tuesday 5th October due to COVID.

Library Van Visit and the Siobhan Dowd Trust

On Wednesday, we were visited by the Cumbria Library Van. All four classes spent time on the van picking a range of new and exciting books for school. It was great to see how keen the pupils were to get back to their classrooms to start reading and talking about their books!

School received a £200 grant from the Siobhan Dowd Trust to purchase new fiction books for Key Stage Two. The books have arrived in school this week and will be ready for the pupils to start reading after half term.

Kevin Sutherland Visit

Kevin Sutherland, award winning author and comic artist visited Class Three and Four today. Kevin wowed the pupils with his drawing skills and talked about his three published books. The pupils also learnt about the different stages of planning, writing and publishing a comic.
