Newsletter #2 – Summer Term

Iranian Culture

A special thank you to Simin Hough who came into Class Three to talk to the children about Persian Carpets. The children were very lucky to learn about another culture and about Iran. The children had a go at tying knots and talking about the intricate work that goes into producing these beautiful carpets. Thank you so much Simin!

If you have any specialist knowledge about a subject area, please do not hesitate to get in contact with school, it would be brilliant to get more parents talking to the pupils.

Art Materials

We are currently collecting Easter egg wrapping, circular lids, corks and bottle tops in school for an exciting art project. If you have any at home, please consider bringing them into school.

Parking

Please can I remind everyone to park considerately in our car park and on the hill outside school. I know drop off and pick up time is extremely busy, but please do not block anyone's driveway in the village and try not to block anyone in the carpark.

Student Teacher

It has been brilliant welcoming Miss Beth Osborne to school this week. Beth is a student teacher from University of Cumbria. She will be teaching alongside Mrs Parsons and Mrs Hadwin in Class Two.

It is a 5 mile walk, recommended minimum age of 6, we hope this will be a fantastic family event.
