

Maths Long Term Plan – Overview - Year 1 & 2

Autumn term	Year 1 - Number Place value (within 20) VIEW	Year 1 - Number Addition & subtraction (within 20 inc. recognising money) VIEW	Year 1 - Number Place value & multiplication (within 50) VIEW
	Year 2 - Number Place value (numbers to 200) VIEW	Year 2 - Number Addition & subtraction (within 100 inc. money) VIEW	Year 2 - Number Multiplication VIEW
	Year 1 - Number Division & consolidation VIEW	Year 1 - Number Place Value (within 100) VIEW	Y1 - Measurement Length & height VIEW
Spring term	Year 1 - Number Division & consolidation VIEW	Year 1 - Number Place Value (within 100) VIEW	Year 1 - Number Fractions & consolidation VIEW
	Year 2 - Number Division VIEW	Year 2 - Number Statistics VIEW	Y2 - Measurement Length & height VIEW
Spring term	Year 2 - Number Division VIEW	Year 2 - Number Statistics VIEW	Year 2 - Geometry Properties of shape VIEW
	Year 2 - Number Fractions VIEW		
Summer term	Y1 - Geometry Position & direction VIEW	Year 1 - Measurement Time VIEW	Problem solving & efficient methods VIEW
	Year 1 - Measurement Weight & volume VIEW		Consolidation & investigations VIEW
Summer term	Y2 - Geometry Position & direction VIEW	Year 2 - Measurement Time VIEW	Problem solving & efficient methods VIEW
	Year 2 - Measurement Mass, capacity & temperature VIEW		Consolidation & investigations VIEW
