

Old Hutton CE Primary School

Geography Curriculum Intent Statement

Through accessing our Geography curriculum from EYFS to Y6, our pupils will progressively build the knowledge and skills which will give them the **essential characteristics of Geographers**:

- An excellent knowledge of where places are and what they are like.
- An excellent understanding of the ways in which places are interdependent and interconnected and how much human and physical environments are interrelated.
- An extensive base of geographical knowledge and vocabulary.
- Fluency in complex, geographical enquiry and the ability to apply questioning skills and use effective analytical and presentational techniques.
- The ability to reach clear conclusions and develop a reasoned argument to explain findings.
- Significant levels of originality, imagination or creativity as shown in interpretations and representations of the subject matter.
- Highly developed and frequently utilised fieldwork and other geographical skills and techniques.
- A passion for and commitment to the subject, and a real sense of curiosity to find out about the world and the people who live there.
- The ability to express well-balanced opinions, rooted in very good knowledge and understanding about current and contemporary issues in society and the environment.

Set in the context of our Old Hutton School **Whole Curriculum Intent Overview Statement and Guarantee to Learners**, the detail of our own Old Hutton School Geography Curriculum and how learning for our pupils progresses from EYFS to Y6 is described in the following documents:

- **Geography in EYFS**
- **Geography Long Term Planning and Assessment KS1 & KS2 (Y1-Y6)**

These documents include the EYFS Framework 2021 and National Curriculum (2013 & updates) statutory requirements and are informed by the Chris Quigley Essentials Curriculum. Progression is shown and assessed through KS1 and KS2 via the Milestones of learning to be reached (Milestone 1 = Y1/2, Milestone 2 = Y3/4, Milestone 3 = Y5/6); these Milestones are ambitious and aspire towards acquisition of mastery and depth of learning in each aspect of the subject. The EYFS and Long Term Planning and Assessment documents clearly set out the content of teaching and learning in the subject; are used by teachers to plan lessons to progressively build knowledge and skills; and used by teachers and learners to assess the depth of learning acquired.

For more information about our curriculum, examples of the implementation of our planning and demonstration of its impact through pupils' work, please get touch with us in school via:
