Comments

- We are very proud of our excellent results! We judge them to be outstanding (so continuing our trend of outstanding outcomes at KS1 over the last 4 years) because...
- Our school exceeds well above the 2019 national and county figures, including in achievement of the higher standard across all subjects at KS1
- 2019 figures are broadly in line with or better than 2016 - 2018's results, which we judged as outstanding.
- Focus areas for 2020: supporting SEND/lower achievers to reach expected standard; maintain & further increase greater depth achievement in Writing & Maths.
