This is an exciting opportunity to join a developing Multi-Academy Trust of six schools. The role is intended to be part of the MAT's Executive Team, leading the developing central services function and will evolve with the Trust, which is in its fourth year, having been established in January 2018. The Trust's strategic objectives focus on providing the best possible school experience for its pupils and staff, aiming to be the best employer possible. The role will be based in the Omega Teaching Centre, in West Warrington, however the ability to travel to individual schools is a necessity. The purpose of the role is to establish a comprehensive Estates Central Service for the Omega Multi Academy Trust, creating an effective Estates Strategy, including Trust-wide 5-year Capital Plan and reviewing systems and practices in all schools. This role will work in conjunction with school leaders to lead development through the Estates teams across the various sites and cover all aspects of estates management, ensuring the Trust achieves value for money, whilst improving its capital assets.
