

Omega Multi-Academy Trust

Scheme of Delegation

This Scheme:

- sets out the Trust's approach to delegations between the different layers of governance within the Trust and is a delegation by the Trustees under Article 105 of the Articles of Associations of certain powers and/or functions as detailed below;
- confirms which powers and functions are reserved to the Trustees;
- should be read in conjunction with the Trust's Committee Terms of Reference;
- may only be altered or revoked by the Trustees.

The Trust's Scheme of Financial Delegation, which the Trust is required to have under re Academies Financial Handbook, is set out in a separate document and also supplements this Scheme in respect of the delegation of financial powers and the operation of robust internal controls.

The Scheme is divided into four sections as follows:

- Strategy & Leadership;
- Education & Curriculum;
- Financial;
- HR & Operations.

To assist interpretation of the matters delegated in the Scheme it uses defined phrases which are supplemented by additional comment as appropriate. The defined phrases should be given their common meaning but for the avoidance of doubt an explanation can be found on the final page of this Scheme. The underpinning principle is one of 'earned autonomy' for successful schools within the Trust, whereby most areas of responsibility are delegated to each Academy's Local Governing Body with the MAT Board of Trustees retaining the power of intervention should this be needed, based on their reviews of performance and associated plans for improvement. The CEO provides the key link between academy leadership and Trust leadership. The emphasis is on mutual support and proactive collaboration to address perceived areas for improvement in advance of external judgement. Schools may need supportive intervention from the MAT Board post-Ofsted, where a 'requires improvement' or 'inadequate' judgement is made, or post-results, where performance falls below 'floor standards' or meets 'coasting' definitions. Schools facing emergency staff-related matters or leadership shortages will be supported by the Trust, through the CEO, brokering support either from within the Trust or sourcing external cover.
