Starting Reception

If your child is due to start Recepetion in September 2027 , you will need to apply for a place, even if they already attend our Nursery.

The application deadline is 15th January 2027.

If your child has an EHCP, your child's SEN Casework Officer will contact you regarding the specific application process for your child.

If you have any questions, we are happy to help!

Oral hygiene

In both Nursery and Reception, children are taught about oral hygiene and the importance of cleaning their teeth.
Here are some tips for teeth cleaning at home:

- Adults must supervise and help children brush until they are at least 7 years old
- Brush teeth twice a day for 2 minutes
- Use a grain-of-rice/smear of toothpaste for children under 3, and a pea-sized amount for children aged 3 to 6
- Keep sugary foods and drinks to mealtimes

Physical Development

Physical development focuses on helping children gain control over their bodies, building both gross motor skills like running and balancing, and fine motor skills needed for holding a pencil. It lays the crucial foundation for children's independence, health, and overall confidence as they grow.
