

# Behaviour

1. You will see a **behaviour tab** for your child when you are logged in.
2. Selecting this tab will display multiple graphs which represent an overview of your child's **achievement** and **behaviour** data within a **customisable timeframe**.  
(By default, the displayed date range is **31 days**. To view a different range of behaviour data, click on the **Date** button to select from the available pre-sets or create your own custom date range)
3. Below these graphs you can find a list of behaviour activity relating to your child. These display the **behaviour** that was awarded, **when** it was awarded, **who** awarded the behaviour, the **lesson** the behaviour was awarded in, and how many **points** the award is worth.
