

Ormskirk School - iPads for All Parent Agreement 2019

iPads for All – Rental Agreement

By signing up to the iPads for All scheme:

- I agree to pay a refundable deposit of £40 which confirms my commitment to the scheme. This deposit will be returned in full at the end of the rental period if requested, as long as the device is returned in good condition. Any costs incurred during the rental period will be deducted from this deposit.
- I commit to make 36 monthly contributions starting in December 2019 and ending in November 2022.
- The iPad remains the property of Ormskirk School. Once the final payment in the rental term has been made I will be informed of my options for continuing use of the device.
- If my child leaves the school at any point in the rental period, the device must be returned to the school.
- I have read and understand the terms of insurance provided.
- If my child's iPad is lost, I understand that it will not be covered under the terms of insurance and I will be required to continue paying all remaining monthly contributions.
- I understand that a maximum of 2 insurance claims may be made in any 12-month period and 3 over the duration of the rental. If the iPad is damaged outside this I will be liable for the cost of repair or replacement.
- I understand that in order for my child's device to be covered under the insurance policy, **it must remain in the case provided by the school, with the screen protector in place**. If my child damages or removes the screen protector or case, the cost of a replacement will be deducted from my deposit.
- I understand that if the iPad becomes damaged without the case or screen protector present this cannot be covered by an insurance claim and I will be liable for any cost of repair or replacement not covered by the deposit.
- I understand that if my child damages their iPad (or one belonging to another student) *deliberately*, my deposit may not be refunded and I may be asked to cover any further cost of repair or replacement.
- I agree to support the iPads for All Acceptable Usage Policy, which my child will be required to sign before using his/her iPad in school.

iPads for All – Own Device Agreement

By signing up to the iPads for All scheme:

- I understand that if I allow my child to use his/her own device in school I will pay a one-off administration charge of £25 for an iPad, or £10 for an alternative tablet.
- I agree to allow Ormskirk School to reset all existing content and settings and install the management/supervisory software onto my child's device.
- I understand that Ormskirk School cannot offer any kind of insurance or warranty for my child's device and that it remains my/my child's responsibility at all times.
- If I request the App Store to be **enabled** on my child's iPad I agree to monitor its use carefully.
- I agree to support the iPads for All Acceptable Usage Policy, which my child will be required to sign before using his/her iPad in school.
- I understand that personal devices are treated equally to school devices, and therefore may be confiscated or have additional restrictions applied where appropriate in line with the Acceptable Usage Policy.
