Chair of Governors Update

Richard Petty recently stepped down as our Chair of Governors. Richard has done a brilliant job as chair since he took on the role in 2021. Thank you so much Richard for everything you have done as Chair. The good news is that Richard is still a governor so we will continue to benefit from his support and expertise. Our new Chair is John Newton who joined us a Foundation governor in December 2023. He brings a wealth of experience and expertise to the role.

An Introduction from John

It was an immense privilege to be asked to be the next Chair of Governors at Orton School, a role I gladly accepted. Richard Petty, our outgoing Chair did a fine job and has put in place a strong team of governors with high standards and a real investment in the wellbeing of this lovely school.

I have been a governor at Orton for 2 years. I have governed in both the state and private sectors of education, and sat on boards for charities. I spent 18 years as a school leader myself in the UK and in South Australia, and look forward to supporting the school as it moves forward.

I am particularly pleased to be working closely with Emma Pomfret, an outstanding leader for whom I have a high regard. She is supported by an excellent team of staff both in and outside the classroom, and a highly skilled Business Manager, Vicky Percival.

In all, I feel that Orton is well placed for the future due to the hard work of Emma, the staff and governors, and I look forward to making my contribution to this happy and successful school.

Dr John Newton

Cumberland Neurodiversity and Emotional Wellbeing Service

This is a new service provided by Cumberland and local NHS partners that families in Westmorland can access. It is a single point of contact providing advice, support and guidance for families at the earliest opportunity. Families can access support themselves or via referral. If you would like support with a referral for your child please let us know and we'd be happy to help.

Stars

Our next Stars Assembly will be Friday 13th February at 2.50pm. Visitors are very welcome to join us in school for our Stars Celebration! We hope you can join us.

ROAD SAFETY

Thank you to everyone who has responded to the note in our last newsletter about waiting outside the school building and helping us keep pedestrians and cars separate by always using the pedestrian path.

It has been brought to our attention that a small number of parents are driving along the lane at the front of school at drop off and pick up times. Please help us keep everyone safe especially the children walking along the lane to school by parking further away from school and walking.

The applies even if you are running late. Better to be a few minutes late than have an accident.

If we all work together and respect each other we will be able to keep the lane outside school as safe as possible for everyone.

If you have to use the lane outside school please drive from north to south (the same direction as the buses).

Again, please pass this onto anyone who might be dropping off/ collecting your children

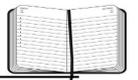

Thank you so much in anticipation of your co-operation.

Cooking Support

After half term DT for Birch and Oak classes will be cooking. This works best if we have a rota of lots of adult helpers. Birch class will be cooking Tuesday afternoons and Oak Class will be cooking Wednesday afternoons. If you can help with some or all of these sessions please let us know and we will put a rota together.

Cumberland Neurodiversity and Emotional Wellbeing Service

Introducing the new Cumberland Neurodiversity and Emotional Wellbeing Service, providing advice, support and guidance for families at the earliest opportunity.

cumberland.gov.uk/NDandEW

What is the service?

The Neurodiversity and Emotional Wellbeing Service provides a Single Point of Contact (SPOC) where children, young people and families can access advice, early support, and signposting for neurodiversity and emotional wellbeing in one place. It will support children, young people, and families to understand and manage different ways of thinking and experiencing the world. This service is delivered through a partnership between Cumberland Council and local NHS organisations.

The service has:

- A Neurodiversity and Emotional Wellbeing section on the Cumberland Family Hubs website which has information, advice, and strategies to support families if they feel they need it.
- A single point of contact for parents, carers, young people, and professionals to contact the service to receive further advice and support.
- A new strength and needs assessment that can be completed with families to understand each child or young person and plan the right support.

The Service Team is made up of 2 Social Prescribers, 5 Support Workers, a Health & Wellbeing Coach, 3 Emotional Resilience Nurses, a Clinical Psychologist, and an Assistant Psychologist who can provide clinical support and guidance when needed.

The Service will run as a 12-month pilot from November 2025. It will focus on early intervention and prevention offering support as soon as needs are noticed.

Who is the service for?

Children and young people aged 0-19 (or 25 if there are known or suspected special education needs and disabilities):

- who live in the Cumberland and Eden* area,
- where there are concerns about unmet need relating to suspected neurodivergence and/or emotional wellbeing

**For children and young people living in the Eden area, signposting to follow-up support in the Westmorland and Furness Area will be provided, to ensure access to most appropriate local services*

We also welcome enquiries for children and young people who are:

- waiting for clinical services (e.g. diagnostic assessment for ADHD or autism)
- already have a neurodiversity related diagnosis, but could benefit from support in managing social and emotional wellbeing

Orton CE Primary School Lockdown Procedure Extract for Parents

No.	Communication - BETWEEN PARENTS AND THE SCHOOL	Tick / Initial / Time
School lockdown procedures, especially arrangements for communicating with parents, will be routinely shared with parents either by newsletter or via the school website.		
13	In the event of an actual lockdown, any incident or development will be communicated to parents as soon as is practicable using the school website messaging facility. EP & VP have access to website and can do this remotely if not on site. Facebook and email can also be used.	
14	Parents should be given enough information about what will happen so that they: <ul style="list-style-type: none"> • Are reassured that the school understands their concern for their child's welfare, and that it is doing everything possible to ensure his/her safety; • Do not contact the school. Calling the school could tie up telephone lines that are needed for contacting emergency providers; • Do not come to the school. They could interfere with emergency provider's access to the school and may even put themselves and others in danger; • Wait for the school to contact them about when it is safe for them to collect their children, and where this will be from. 	
15	Movement may be permitted within the building dependent upon circumstances but this must be supervised by a member of staff.	
16	Parents will be told: <i>'..the school is in a full lockdown situation. During this period the telephones and entrances will be un-manned, external doors locked and nobody allowed in or out...'</i>
