

Class 2 Newsletter

January 2023

Welcome back to school - we hope you have all had a lovely Christmas and that everyone has had a good rest with your families!

This Term ...

Topic: Our main topic for this term is a geographical topic - Farming and Food. We will be learning more about where our food comes from and hopefully get out to visit some of our local farms!

English: Our English this half term will be focused on the book "Rosie Revere, Engineer" which is a book about a determined little girl who likes to design make things. It will link in well with our Science topic on materials too!

Maths: Year 1 children will be learning about adding and subtraction up to 20 (and beyond for those more confident). Year 2 children will be learning about multiplication and division.

Our "Curriculum Overviews" are available on our school website. These will give you extra information about each subject we teach. www.ortoncofeprimary.co.uk

Assemblies

Please join us for
Children's Assembly & Stars Assembly
(Thursday) (see newsletter for dates)

Reading Packs – it would be helpful if children could bring in their reading packs in their blue bags each day as we are setting up a "Reading Buddy" scheme where the older children will listen to them read. This could happen on any day of the week!

Important Dates

2nd Feb - Library Van Visits School

9th Feb - Cyber Crime session for staff and parents

2nd March - World Book Day

Tuesdays from 9.30am - **Stay and Play** in Class 1 for all our babies and pre-school age children

Further details of all events will be in Mrs Pomfret's regular newsletters.

PE for this term

In PE lessons, we will be developing our flexibility, strength, technique, control and balance in **Gymnastics**! Outdoor PE kit will not be needed this half term. Children can bring in leotards for gymnastics if they would like to!
