- ... is not jealous, does not brag, and is not proud.**
- ... is not rude, is not selfish, and does not get upset with others.**
- ... does not count up wrongs that have been done.**
- ... takes no pleasure in evil but rejoices over the truth.**
- ... patiently accepts all things.**
- ... always trusts, always hopes, and always endures.**

These Bible verses work perfectly when you substitute the word "Love" for the word "Jesus" or "God". Try it now. Here is something more challenging: Try putting your own name there instead! How does that feel? Are all of the sentences still true? Christians believe God is love and that when you follow Him and invite His Spirit to live in you He can help you to be truly loving.
