

Big breakfast meet 21st January 2020

Present: Sharon P, Richard P, Ann-Marie (AM), Lottie and Megan

Apologies: Andrea, Julie, Angela, Vicki C

Main focus of the meeting was making sure we all knew what we need to do and go over what we had so far and still needed....

SP has asked several companies for donations of bacon and sausage , once heard back from all we will know if we need to buy some. Already got some bacon been delivered to school from the butchers in Appleby.

SP waiting to hear if we can get all bread, mushrooms and milk for free from different companies.

Andrea and Finn are sourcing the eggs for free again this year.

AM has ordered hash browns from the George.

Emma has put requests into fair share for big breakfast items however we do not know what we get until it arrives, so was decided we would put a plea out to parents asking for tins of beans , tins of tomatoes and possibly mushrooms if we can not get them donated. SP will write it and forward it to office.

£5 Adult

1/2 bacon
1/2 sausage
spoon beans
spoon toms
spoon mushrooms
1 hash brown
half a slice of fried bread
1 fried egg or spoon of scrambled egg

Children £3 basically half of the adults, lets not complicate things, on the day if someone wants just beans on toast we will not be charging £3-£5.

toast will be provided aswell as self serve tea, coffee and juices

Dietary requirements were discussed, happy to cater for everyone however we have said they need to let us know before hand so we can make sure we have things they can eat, would hate for people to be dissappointed on the day.

IF YOU HAVE A SPARE HOUR COULD YOU WASH A FEW POTS FOR US OR CLEAN A FEW TABLES?!?!?!?!?!?

Other Business

Valentines disco 14th Feb in school, more details to follow, Andrea is a super star and sorting it all out, however she might need some helpers on the night? On the same night at the George they are having a curry night, treat yourself while the kiddies dance the night away!!!

Bag Packing Saturday 22nd Feb Kendal Morrisons- 10 till 4

This is to raise funds for class 3 and 4 residential , if we dont get enough volunteers for this I will have to cancel again, we are only asking for a hour of your time and its super easy,only children in class 3 and 4 can actual be at the tills bag packing, please let me know asap if you can help. On the day can all children helping please wear their school uniform.

A quick note from Sharon

Next meeting is Tuesday 3rd March in school at 6pm, I can not stress how important it is for parents to come along and support foos at meeting and events, without the funds we raise unfortunately our children/school would go without so many things and the trip prices would go up individual per family. With the new classroom build will come more fundraising, but if we all pull together we can all help make sure they don't miss out on anything, we all want whats best for our children.
