OPEN MORNING

It's our Open Morning **TOMORROW** (Tuesday 7th Oct) 9am-11.30am. FOOS will be providing refreshments. Come along have a brew, see us in action and find out more about our amazing school. Everyone welcome including current and prospective families. If any prospective families cannot make it tomorrow, please feel free to get in touch to arrange a visit at another time, we love showing people round school. Scroll down the pages for more details.

World Mental Health Day—Friday

This Friday is World Mental Health Day. The School Council have helped to choose some lovely activities for everyone to take part in to help nurture good mental health. The children are also invited to come to school wearing yellow if they would like. It can be a little bit of yellow or yellow from head to foot whatever they feel comfortable with!

The school council suggested bringing a pet to school on WMH day would be a good idea BUT 50+ live pets in school would not be good for the staff's mental health!! Instead we are asking the children to bring a cuddly toy pet if they would like.

Friends of Orton School (FoOS) Annual AGM

Everyone with children at school are automatically members of FoOS. FoOs will hold their AGM on **Tuesday 14th October at 3.30pm in school.**

Come along to see how the funds you have helped to raise have supported Orton School this last year and find out what's coming up in the year ahead. This meeting also elects the committee for the forthcoming year. As well as the 3 formal roles of Chair, Secretary and Treasurer, essential for the charity to function, there are lots of supporting roles to help share the load, like Vice-Chair and Second-Hand Uniform Coordinator. There's a useful info graphic below to give you some ideas.

We're a friendly bunch, meeting a few times a year to share ideas and organise events that raise funds for all sorts of fun stuff for the children. So, if you have a particular skill or talent that could help the team, or a great idea for a fundraiser, or if you want to come along and show your support, we'd love to see you there. If you would like to join our WhatsApp group to keep up to date with what's going on, speak to any of the committee members or Mrs Percival in the school office.

Orton Fell Race

What a fabulous day this year's Fell Race was. We had 71 senior runners and 56 juniors. A massive thank you to everyone who helped make the event a success.

Over 50 people are needed to make sure everything runs smoothly and safely. Thank you to everyone who set up, baked cakes, served refreshments, registered runners, landowners, marshalls, runners and those who were there at the end to tidy up. Thank you also to all the businesses who sponsored the event by offering prizes and refreshments. Thank you to Tim Farron for setting off the races, great to see you. Finally the biggest of thank yous go to Simon Mounsey and Jo Hayward who organise the event and bring everything and everyone together, it wouldn't happen without their hard work and dedication. The Fell Race raised £1500 for FOOS this year which is tremendous. Thank you

The PTA structure

The make-up of a PTA varies between schools, but essentially there are two parts: the elected Committee, which oversees and manages the association, and the PTA volunteers who provide support at events, fundraisers and more. The core positions are usually Chair, Treasurer and Secretary, however, there are other informal positions which can be beneficial to fill in order to spread the workload. Here's how a committee could be formed...

Orton CE Primary School Lockdown Procedure Extract for Parents

No.	Communication - BETWEEN PARENTS AND THE SCHOOL	Tick / Initial / Time
School lockdown procedures, especially arrangements for communicating with parents, will be routinely shared with parents either by newsletter or via the school website.		
13	In the event of an actual lockdown, any incident or development will be communicated to parents as soon as is practicable using the school website messaging facility. EP & VP have access to website and can do this remotely if not on site. Facebook and email can also be used.	
14	Parents should be given enough information about what will happen so that they: <ul style="list-style-type: none"> • Are reassured that the school understands their concern for their child's welfare, and that it is doing everything possible to ensure his/her safety; • Do not contact the school. Calling the school could tie up telephone lines that are needed for contacting emergency providers; • Do not come to the school. They could interfere with emergency provider's access to the school and may even put themselves and others in danger; • Wait for the school to contact them about when it is safe for them to collect their children, and where this will be from. 	
15	Movement may be permitted within the building dependent upon circumstances but this must be supervised by a member of staff.	
16	Parents will be told: <p><i>'..the school is in a full lockdown situation. During this period the telephones and entrances will be un-manned, external doors locked and nobody allowed in or out...'</i></p>
