Summer Term

We are in the last couple of weeks before the end of the year! I'm really not sure how that has happened!!! It is a very busy time in school so please keep an eye on the diary dates so your child has what they need each day.

It has been another busy and productive year in school to celebrate. Our children have been amazing and have achieved so much academically and personally, they should be very proud of themselves - we are. We wish our Year 6's the very best of luck as they move onto secondary school.

Our staff have worked hard to cram so much into the year, I'm sure you will join me in saying a huge **THANK YOU** to them all.

We will be saying goodbye to Ms Alderson and Mrs Hayhurst at the end of term. Thank you both for everything you have done in school whilst you have been with us, we really appreciate it. We all wish you the very best for the future.

This will be the last newsletter of this year so I would like to take this opportunity to say thank you for all your support over the year, it is appreciated.

I hope you all have a lovely Summer break from the school routine. We'll see most of you on 3rd September!

Orton CE Primary School Lockdown Procedure Extract for Parents

No.	Communication - BETWEEN PARENTS AND THE SCHOOL	Tick / Initial / Time
School lockdown procedures, especially arrangements for communicating with parents, will be routinely shared with parents either by newsletter or via the school website.		
13	In the event of an actual lockdown, any incident or development will be communicated to parents as soon as is practicable using the school website messaging facility. EP & VP have access to website and can do this remotely if not on site. Facebook and email can also be used.	
14	Parents should be given enough information about what will happen so that they: <ul style="list-style-type: none"> • Are reassured that the school understands their concern for their child's welfare, and that it is doing everything possible to ensure his/her safety; • Do not contact the school. Calling the school could tie up telephone lines that are needed for contacting emergency providers; • Do not come to the school. They could interfere with emergency provider's access to the school and may even put themselves and others in danger; • Wait for the school to contact them about when it is safe for them to collect their children, and where this will be from. 	
15	Movement may be permitted within the building dependent upon circumstances but this must be supervised by a member of staff.	
16	Parents will be told: <p><i>'..the school is in a full lockdown situation. During this period the telephones and entrances will be un-manned, external doors locked and nobody allowed in or out...'</i></p>
