	Year 2: Statistics	Make tally charts Draw pictograms Interpret pictograms Draw pictograms Interpret pictograms Block diagrams
English	Phonics	Daily phonics lessons to reinforce and consolidate phonics to get the children more confident in reading and writing.
	Story tellers	Children will have daily writing based on a picture that they can look at. Writing based on what the children have in front of them using the phonics they have learnt. Writing based on stories we have been reading in our guided reading texts. Non-fiction writing based on penguins
	Reading	Variety of seasonal stories: Runaway Iceberg Penguins
Science	Everyday Materials	This 'Everyday Materials' unit will teach the children about everyday materials including wood, plastic, metal, water and rock. The children will learn to identify and name everyday materials and will have the opportunity to explore the properties of these materials.
Geog	Europe	Children will learn how to locate Europe and key facts about the continent before learning key human and physical features through our imaginary travels in many of the European countries, including evaluating a range of European foods! Yum!

Music	Rock!	This half term our music focus will be rock music, we will listen to and appraise a range of rock songs. We will also focus on a song called 'I Wanna Play In A Band' which is a rock song written especially for children. Through this song we will learn about singing and playing together in an ensemble!!!
	Europe	This half term we will be focusing on art. We will be linking to our work in geography by looking at the work of European artists, Klee, Van Gogh, Matisse and Miro. We will find out a little about the artists lives, what inspired and influenced their work before making our own works of art in the style of each artist.
PE	Gymnastics	Children will investigate movement, stillness and using space safely. Using basic gymnastic actions on the floor and on apparatus. Short movement phrases eg two rolls, two jumps.
	Basic moves	Children will develop their basic moves during games and races.
RE	Christian Value	FRIENDSHIP
	What do sacred writings teach about leaders?	What is a leader? What qualities do religions believe a leader needs? (focus on Christianity but other religions may be included)
COMPUTING	Computer Science	Control & Monitoring, Floor and Screen Turtles, Programming, Modelling & Simulation Programming Bee Bots Algorithms Debug
	Information Technology	Data handling, Research (Using the Internet & Computer Software) Recognise ways of using technology and benefits Drawing a text frame Resizing Adding pictures Develop Keyboard skills
	E Safety	Ongoing throughout year & age appropriate How to keep safe
	Digital Literacy	Communicating Collaborating Multimedia, Digital Imagery, Music & Sound
