

(Careers, Enterprise, Information, Advice and Guidance)

Strategic Action Plan.

All students, regardless of year, at The Oswaldtwistle School will achieve their true potential whilst being fully prepared for their transition into the ever-changing world of work. The intent of our Careers Curriculum is to deliver a structured careers programme where all students are provided with the opportunity to prepare for their transition into the evolutionary world of work. We intend to raise their aspirations, improve social mobility, develop employability skills and enhance knowledge of the Labour Market Information whilst providing them with the access to all career pathways. Students will experience a range of encounters tailored to their individual needs and circumstances which will include encounter of workplaces, and employers, an insight into further and higher education establishments and opportunities for personal guidance.

The Oswaldtwistle School has a statutory duty to adhere to the Careers Strategy and the Statutory Guidance. Our vision expands to reaching out to all pupils, in an attempt to have no students post-16 who are not in education, employment or training (NEET). We intend to continuously work with our pupils post 16 to promote CEIAG and we are fully committed to the Baker Clause, which stipulates that schools must allow colleges and training providers to access every student in years 8 to 13 to discuss non-academic routes that are available to them. Furthermore, we are dedicated in our work to maintain our achieved Gatsby Benchmarks.

Strategic Objectives.

Objective 1

Promote and increase careers education in the curriculum across all year groups. Benchmarks: 2, 3, 4, 7

Objective 2

Increase student and parental involvement and confidence in career planning. Benchmarks: 2, 3, 6

Objective 3

Develop a programme of encounters to meet the individual needs of all students by creating a network of employers and educational providers to support learning. Benchmarks: 3, 4, 5, 6

<u>Current state.</u>

Staffing includes one full time member of staff who is a member of SLT and has overall responsibility of CEIAG for the school, one full time member of staff who is on the behaviour team and is also a Careers Lead. The school currently uses an independent CEIAG advisor; Tracie Evans to provide impartial careers guidance to students in KS4. The school has established links with The Lancashire Skills Hub and Amazing Accrington and is working with the Enterprise Advisor to embed Compass+ as a mechanism for reviewing and evaluating it's careers programme. Compass+ was first implemented into the school in 2019. SLT fully support the development of CEIAG at The Oswaldtwistle School which aims to raise the aspirations of ALL students

SWOT analysis of The Oswaldtwistle School highlights that we are working hard towards embedding Careers throughout the school. We are part of the Lancashire Skills Hub and have fully achieved the Gatsby Benchmarks each year since 2019, and are working towards upholding these standards as an ongoing target. Careers is taught through the Curriculum For Life (CFL) programme to all pupils in year 7 to 11 and is supported through form time, drop down days and the assembly programme. Overall responsibility for the CFL programme currently sits with the Personal Development Lead. In 2020, the school introduced the Beyond the Curriculum initiative to support subject specific retention and allow pupils to be the best they can be, through cultural enriching means. From September 2023, the school will introduce structured key worker sessions to support pupils in career aspirations and skills building.

Action Plan.

Objective 1

Promote and increase careers education in the curriculum across all year groups.

Benchmarks: 2, 3, 4, 7

	Targets	Actions
Term 1 2022-2023	TargetsContinue to empower all staffwith knowledge of thecurrent CEIAG framework,statutory expectations andknowledge around GatsbyBenchmarksFurther encourage all subjectleaders to embed careersinitiatives in their long-termplanning.Relaunch Beyond TheCurriculum (BTC) with lessonfocus, parental engagementand display posters incommunal areas.	Staff receive CPD on CEIAG Survey staff on their knowledge and understanding of CEIAG Undertake a basic review of current careers in the curriculum provision Staff are talking about careers in lessons. All subject areas to keep BTC updated for current taught topics.
	To provide up to date data on career related matters.	To develop an easily available careers dashboard to provide up to date data on career related matters. Work closely with the Careers Link school governor.
Term 2 2022-2023	All subject areas implementing CEIAG initiatives. Launch the digital START careers platform with the information, advice and tools to help pupils to explore and plan for their future.	Subject areas to revisit and amend LTP/MTP to reference careers and Labour Market Information (LMI). Subject areas to revisit Curriculum Maps to ensure KS3 incorporate structured careers lessons.

		Deliver Start platform CPD to all staff. Keyworker sessions to promote careers via the Start platform. Appoint careers champions and a working group to support the Careers Lead, lead on subject projects and create links with businesses and organisations. Employer encounters to be incorporated into lessons
		through employer links.
Term 3 2022-2023	Subject areas take ownership of and lead CEIAG initiatives in their own areas.	LTPs reviewed and developed to incorporate LMI and Skills Builder skills.
	Start careers platform widely used in school.	Links with business employers embedded and projects ongoing.

Action Plan.

Objective 2

Increase student and parental involvement and confidence in career planning.

<u>Monitoring & Evaluation</u> <u>Plan.</u>

The careers programme at The Oswaldtwistle School is delivered through a variety of activities including; timetabled CFL lessons, within curriculum areas as well as bespoke opportunities, drop down days, trips, activities and events ran by external agencies, businesses and employers.

By having a structured programme of events, monitoring and evaluation allows us to ensure the quality of our provision and this informs our future decision making.

Monitoring and evaluating activities adopted by The Oswaldtwistle School are:

- Learning walks
- Lesson observation
- Questionnaires students, staff, parents & carers, external agencies
- Student voice
- Whole school careers tracking
- Work scrutiny
- Evaluating Start platform data
- Compass +
- Destination data
- Feedback from personal guidance interviews

Each academic year, the Careers Lead will write an Action Plan which will be reviewed annually and the provision on offer to students will be audited utilising the Compass tool.

SWOT Analysis.

Strengths	Weaknesses
Careers Lead is working towards Level 6 in Careers Leadership	Staff buy in – need to do some whole staff training.
Enterprise Advisor is keen to get involved.	Curriculum implementation.
Careers provision is mapped across year 7 to 11 through CFL lessons.	Importance of balancing careers aspirations versus exams for whole school.
Local accessibility to FE providers.	Knowledge and expertise of Careers link Governor not fully
SLT support.	utilised.
Links with employers.	Communication of vision, action plan and destination data to
Knowledge of the school context.	whole school.
Excellent relationships with pupils and local organisations.	Raise awareness amongst staff.
Monitoring NEET students – students off role and tracking of destinations	Time given to allow Careers Lead to provide the best possible CEIAG.
The use of AP to raise aspirations for the future.	Limited careers provision for after- school/part-time students.
	External provider for CEIAG advice means hours / funding is limited which prevents regular access by all students.
	Lack of additional staff to support Careers Lead
Opportunities	Threats
Careers Lead is also the Community Practice Lead for AP/PRUs in Lancashire.	Changing the mindset of external stakeholders to raise aspirations.
Being able to work with other schools to	Getting whole school buy in to develop meaningful careers

share good practice.	education in the curriculum.
Developing partnerships with ALL stakeholders.	School infrastructure needs to improve to facilitate the needs of individual pupils.
Learning by doing and building on	
experience.	Dedicated Careers hub within school.
Working with local agencies to promote links.	
More local and national apprenticeship opportunities available to help support and reduce NEET figures.	
More links to business and curriculum areas.	
Teachers to celebrate CEIAG in their classrooms.	
Continuous improvements of Gatsby benchmarks.
