

## Oswaldtwistle Newsletter. DECEMBER 2022

Dear Parents/Carers,

With just a matter of days to go before we break for half term we would like to share with you some of the exciting activities that have taken place this half term at Oswaldtwistle School.

### Getting into the Christmas spirit at Harwes Farm

Both our Monday and Wednesday groups have been getting into the Christmas spirit, making tree decorations from wooden discs that they had sewn and decorated and creating wreaths whilst listening to some Christmas tunes, drinking hot chocolate and sampling some delicious treats cooked on the open fire.

The boys also made a den and were pleasantly surprised to find out their hard work kept them very warm on a cold December day.

# Andrew Snowden PCC Visit

Thank you to the Lancashire Police and Crime Commissioner @A\_J\_Snowden for visiting our school. Pupils spoke to Mr Snowden about feeling safe at school and even beat him at pool!

## PGL Trip November 22

In November, a few of pupils attended a residential trip to Winmarleigh Hall, Preston. This was a fun-packed activity-based couple of days aimed at pupils building confidence, communication and team work skills.

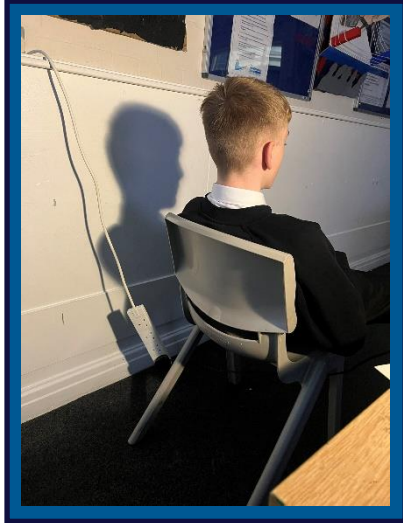

A brilliant morning at the CLA conference.  
Lots of exciting projects to raise aspirations.

# Art

Superb work by one of our Year 10 pupils in Art!

A brilliant lesson on drawing silhouettes using lights and shadows.

## Remembrance Day

To commemorate Remembrance Day and remember the fallen soldiers throughout history and all present conflicts, pupils at The Oswaldtwistle School created poppies from old CD/DVDs. These were displayed on the school railings on Union Road.

A brilliant enrichment afternoon at the gym.

Our Key Stage 3 pupils went to the cinema to watch The Railway Children Return and Rotten Romans at @vuecinemas. They loved it. Thankyou @intofilm\_edu

A fantastic rewards Tuck Shop today.

The England vs Iran game being shown to the pupils who have met the green point/attendance threshold.

4Tech is a great opportunity for students to engage with vocational studies and have a taste of a trade they really enjoy.

4 Tech Moto

Thank you to Every Action Has Consequences @eahconsequences for delivering a hard hitting presentation on Adam's story. Our pupils were left thinking about personal and group responsibility.

A brilliant careers session by @ASFCcommunity @Heath\_Groves @SundownSolLtd @MurraySDA @AmazingAccy. Our Pupils were engaged and asked brilliant questions.

A massive thank you to Cash for Kids Lancashire for the generous donation of a Christmas present for each of our children. They all appreciate it so much and haven't stopped smiling!

Santa Claus is coming to town!  
This might be something for the little ones in your family!

This half term for enrichment some students have been having golf lessons from the local golf professional at Blackburn Golf Club. They started out with the basic mechanics of the golf swing, learning how to putt and then some friendly competition using the indoor golf simulator. The students have made excellent progress, making shots that Tiger Woods would be proud of.

### Arrangements for the Christmas break.

School will close at 12pm on Friday 16th December and **re-open Wednesday 4th January.**

We hope you have a safe and happy Christmas and New Year and we look forward to welcoming you all back in January.

The Staff at Oswaldtwistle School.
